10 Scrutiny forward plan (Page 60)

Under the Openness of Local Government Bodies Regulations 2014, any members of the public are now allowed to take photographs, film and audio record the proceedings and report on all public meetings (including on social media). No prior notification is needed but it would be helpful if you could let the democratic services team know you plan to film or record so that any necessary arrangements can be made to provide reasonable facilities for you to report on meetings. This permission does not extend to private meetings or parts of meetings which are not open to the public. You should take all recording and photography equipment with you if a public meeting moves into a session which is not open to the public.

If you are recording the meeting, you are asked to act in a reasonable manner and not disrupt the conduct of meetings for example by using intrusive lighting, flash photography or asking people to repeat statements for the benefit of the recording. You may not make an oral commentary during the meeting. The Chairman has the power to control public recording and/or reporting so it does not disrupt the meeting.

Members of the public exercising their right to speak during Public Question Time will be recorded.

45 East Devon Public Health Strategic Plan 2019/23

Following consideration of the Public Health Strategic Plan for 2019-2023 by Cabinet on 2 January the Chair of Scrutiny Committee had requested that the document should also be considered by Scrutiny Committee on 7 February.

The strategic aims of the Plan are to help more people to be healthy and stay healthy, to enhance self-care and support community resilience, and to integrate and improve support for people in their homes.

John Golding, Strategic Lead for Health, Housing and the Environment, stated that this work was regarded as core business, with a whole range of Health and Well-being aspirations and activities enshrined in the Council Plan and throughout Service Plans. Public health is an umbrella term for a whole range of East Devon District Council (EDDC) services, from health & safety at work to the provision of nature reserves; from running volunteering events to food hygiene inspections; improving housing conditions to community development; waste collection to leisure provision.

In a multi-disciplinary approach, teams across the Council including Housing, Planning, Countryside and Environmental Health worked together with partners to combat inequalities and encourage healthier lifestyles. EDDC has sought effective and creative ways of achieving this within existing resources.

The Plan sets out the evidence base for this work and is part of a bigger picture, reflecting public health priorities identified nationally and regionally.

A function of the Public Health Intelligence team at Devon County Council is to provide analysis and interpretation of health service data to help develop understanding of the health challenges in local communities. They collate data from many sources annually into the Devon Joint Strategic Needs Assessment [JSNA], showing what is harming the health of the people and therefore indicating what it might be possible for EDDC to do to improve that situation. EDDC officers have liaised with that team, and used this and other evidence e.g. from NHS and Public Health England sources, to create the East Devon Plan, using the best available information at the time.

Comments and discussion included the following;

Loneliness was referred to in the report. The question was asked about what the Council was doing about this, to which the response was that it was difficult to capture loneliness statistically and that many assumptions are made about it, so one of the ways of tackling it is by providing a range of activities which can be accessible to as many as possible across the district.

The plan could be regarded as being urban-centric and not tackling rural isolation - Officers stated that efforts would be made to work across the whole district but with particular focus in priority communities as identified through liaison with public health colleagues at Devon County.

Reference to Parish and Town Councils appear to be missing, but activities could be linked to village halls and community centres - Officers pointed out that there was a broad range of suggestions included in the plan, and local councils could easily be engaged. Spreading ideas and facilitating others to do more locally rather than paying for EDDC staff to undertake activities directly would be a way to achieve more through limited resources.

Officers stated that EDDC has a responsibility to consider health and wellbeing in all council activities, and the Public Health Strategic Plan demonstrates how this can be achieved within current resources.

Two aspects in particular, social prescribing and Making Every Contact Count (MECC) are examples of ways in which any of the local public health priorities can be met, aligned with wider-Devon strategic themes of:

- i. Enabling more people to be healthy and stay healthy
- ii. Enhancing self-care and community resilience
- iii. Integrating and improving support for people in their homes.

MECC is a Sustainability & Transformation Partnership (STP) funded programme and MECC training gives participants the confidence and skills to use brief day-to-day conversations to support people in making positive changes to their lifestyles. The MECC training programme is intended for individuals in public-facing roles e.g. professional staff and community group leaders and Council Members may also wish to consider doing a day's training on it themselves.

Members referred to initiatives such as 'Villages in Action', and activities organised by Leisure East Devon (LED) aimed at getting local people involved, and 'Tri-hards', which was a community led initiative in Exmouth.

The Portfolio Holder for Sustainable Homes & Communities, Councillor Jill Elson, congratulated the Public Health Project Officer for her work and also commented that Devon

County Council (DCC) were one of the few County Councils to continue to support Community Transport.

A member expressed a view that the district was dominated by the coastal strip rather than the rural hinterland and northern boundary - Officers responded by stating that the strategy is aimed at covering the whole district and would not just focus on the five priority areas referred to.

A member expressed concern that drugs were omitted from the strategy, yet there appeared to be a disproportionate number of drug related deaths in Exmouth, and was not convinced that relevant organisations involved are effective - Officers confirmed that this was a Community Safety priority, and liaison was also taking place with DCC to progress matters.

A member asked whether the role of the Public Health Project Officer role dealt with a budget. John Golding confirmed that there was a budget which covered the officer's salary but not project work. This was within the Environmental Health budget whilst project costs are covered in service budgets. Although it is a big agenda, there is sufficient budget at present to achieve a lot of the identified priorities.

Another question from members related to whether there was a mismatch between the aims of the strategy and what is available with the budgets available. John Golding responded that the budgets available will make a huge difference to people's lives.

The Chairman referred to receiving an email received from a Community Development worker who was in support of the Committee considering these important issues, but who could not attend the meeting. He went on to state that there were no external bodies present at the meeting, such as the Clinical Commissioning Group (CCG), and asked whether there were any difficulties in working with partners - Officers confirmed that they had been liaising with the Sustainability & Transformation Partnership (STP), and can see opportunities for how the role of EDDC and other districts can evolve within this partnership.

Andrew Moulding confirmed that the budgets relating to this work were largely with DCC, with whom EDDC are liaising. The Council's focus should be to focus on preventative aspects of ill health through its work undertaken e.g. via housing and leisure centres.

RECOMMENDED to Cabinet

That this Scrutiny Committee;

1. Would like to thank the Public Health Project Officer for the excellent work being undertaken and supported by colleagues across the Council, and to endorse the East Devon Public Health Strategic Plan 2019-23,
2. Seeks to support the intention in the Plan to cover all areas of East Devon district
3. Encourages improvements to communications with Town and Parish Councils in disseminating public health messages, including increasing the use of social media
4. Requests that the MECC training programme is offered to all EDDC Councillors to help disseminate key messages about Health and Wellbeing in local communities
5. Encourages greater use of Social Prescribing and healthier lifestyles, via Leisure East Devon (LED) and community led initiatives

46 EDDC Relocation – Knowle contents disposal

East Devon District Council is in the final stages of leaving its Sidmouth offices in the Knowle Park and moving to Blackdown House in Honiton. Staff will move from Sidmouth to Honiton

in three phases completing on 11 February 2019 when the Honiton office will be fully operational.

The council intends to hand over the Knowle at the earliest opportunity to PegasusLife so that they can pay the purchase price and commence their preparations for demolition and redevelopment. Prior to handover the council needs to clear the building once staff have departed.

In May 2018 the Strategic Management Team (SMT) started to oversee clearance arrangements with the detail to be worked out by the Relocation Team. Options were investigated for disposal and reported back to SMT in September 2018 with enquiries having been made of a range of potential interested parties to test interest. These included local auction houses, clearance specialists, 2nd hand furniture sellers and some not for profit groups and charities that sold on used furniture.

An opportunity was offered at SMT's behest for council staff and members to bid for items that had been attributed little or no sale value by the various professional auctioneers and ranged from standard office furniture items to cupboards, upholstered furnishings, tables, curtains for example. This element of the disposal process is likely to raise approximately £2,000 for the Chairman's chosen charities.

Members queried why an explanation about the process for disposal was not given to members before they were invited to bid for items. The Deputy Chief Executive explained that a process had been followed to ensure that all items could be disposed of in a proper manner which could, for example, generate income, or go to other local councils, such as fireplaces being offered to Sidmouth Town Council, a clock going to Honiton Town Council amongst others.

When the council has vacated the Knowle the Relocation Team will write out to town and parish councils with the remaining list to ask whether they have an interest in any items with the requirement that they transport items away themselves. Councils will also be asked if they are aware of and can contact local voluntary and charitable groups that might also be interested. Depending on the level of response the Relocation Team will arrange an open day, viewings or similar scale of access.

Members asked if a definitive list of items for disposal exist, since members have not seen one. The Deputy Chief Executive confirmed that he would ensure that a list was circulated to members.

RECOMMENDED to the Strategic Management Team

"That the Scrutiny Committee politely reminds the Strategic Management Team to always consider public perception of actions taken, particularly concerning the disposal of public assets."

47 Joint Overview and Scrutiny Committees' meeting on 16 January

Members of the Overview and Scrutiny committees met on 16th January 2019 to consider the Draft Revenue & Capital Budget 2019/20, and associated Draft Service Plans 2019/20, in line with the Council's Constitution (Part 2, Article 7). Recommendations were proposed separately for each committee.

The minutes of the Joint Overview and Scrutiny Committees' meeting held on 16 January were confirmed and signed as a true record by Scrutiny Committee members, from a Scrutiny Committee perspective, on the basis that this is unlikely to be done at the start of the next Joint Meeting in 2020 with potentially different councilors present. Overview Committee members will be requested to do likewise at their next meeting.

48 Scrutiny forward plan

Members confirmed that following the referral from Development Management Committee (DMC) on issues involving South West Water (SWW), they remain keen to extend an invite from the Scrutiny Committee to a representative to attend a future meeting. SWW will be asked to attend in March or April.

In relation to Fly Tipping, Councillor Rylance confirmed that she has been waiting for more information from Streetscene about this and had approached Cllr Tom Wright, specifically about per incident costings. He had informed them that this data would become available over a period of time, and so members confirmed that they would now like to invite Councillor Wright to attend the meeting in March to provide this information.

In relation to Broadband, and given the highly critical email circulated recently about Gigaclear, it was agreed to invite Gigaclear and CDS to attend one of the next two meetings to discuss issues relating to coverage in rural areas and also mobile phone coverage.

49 Exclusion of the public

That under Section 100(A) (4) of the Local Government Act 1972 and in accordance with the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, the public (including the press) be excluded from the meeting as exempt and private information (as set out against each Part B agenda item), is likely to be disclosed and on balance the public interest is in discussing the items in private session (Part B).

50 Scrutinising the Portfolio Holder decision regarding a Discretionary Home Stay Grant repayment

This item was to provide all information on a particular case to both the Portfolio Holder who made the decision and to the subsequent Councillors queries so that the committee could scrutinise the Portfolio Holders decision. The report contains the Portfolio Holder report and subsequent documents clarifying the queries made. The report also contains the relevant information regarding the Home Stay Grant provisions and the Grant Conditions.

RECOMMENDED to Cabinet

That;

1. In all future cases the Legal Services Team should be involved
2. In considering future applications, more and fuller information must be provided to the Portfolio Holder
3. Having examined this case, the Scrutiny Committee are concerned that the call-in period is too short and would ask Cabinet to consider recommending to Council that the constitution be amended to extend the call in period from 5 days to 10 days
4. An appeal panel to be set up for post decision appeals.

The Chairman said that this was the last of very many meetings to be held at The Knowle since the inception of EDDC on 1 April 1974. He thanked officers, past and present, for their invaluable help in that time.

The Chairman closed the meeting at 7.56pm.

Report to: **Scrutiny Committee**

Date of Meeting: 7 March 2019

Public Document: Yes

Exemption: None

Review date for release: None

Agenda item: 9

Subject: **Quarterly monitoring of performance – 3rd quarter 2018/19
October to December 2018**

Purpose of report: This report provides performance information and progress against our promises and priorities as outlined in the Council Plan. This cumulative quarterly information will be used to provide an annual review of our performance against the Council Plan in the Annual Report.

Recommendation:

1. It is recommended that Members consider performance against delivery of the actions/priorities in the Council Plan, key service objectives from service plans and performance measures for the 3rd quarter of 2018/19 so that issues can be addressed in a timely way.

Reason for recommendation: So that Members can gain a clear view of progress against what we said we would deliver in the Council Plan and deal with performance issues arising.

Officer: Karen Jenkins, Strategic Lead – Organisational Development and Transformation
kjenkins@eastdevon.gov.uk
ext 2762

Financial implications: There are no direct financial implications.

Legal implications: No legal comments are required

Equalities impact: Low Impact

Risk: Low Risk
A failure to monitor performance may result in customer complaints, poor service delivery and may compromise the Council's reputation.

- [Appendix B – Performance against Service Plans and their objectives](#)
- [Appendix C - Explanations and definitions.](#)

Link to Council Plan: Continuously improving to be an outstanding Council

Report in full

1. [Appendix A](#) gives an overview of the performance against measures in the form of gauge charts for the following:

- **council actions taken from the Council Plan 2016-20**
- **objectives from the service plans**
- **key performance indicators**
- **quarterly phone and website statistics**

The report also provides detailed information on the status of the council actions and key performance indicators.

All of the **council actions for this quarter 2018/19** from the Council Plan are showing as achieved or on track, with none showing concern or variation.

2. [Appendix B](#) shows progress against service plan objectives linked to the council aims in the form of gauge charts (reports from SPAR.net detail the progress of all the service objectives.) There is one service objectives showing a status of concern.

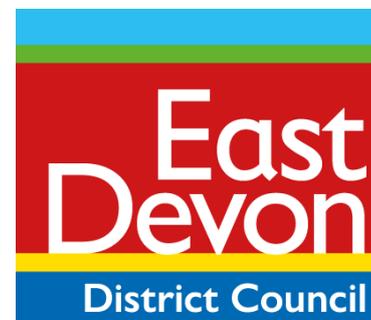

- **To continue to monitor building control fees and make competitive bids for work that more than cover the costs of the service in order to maintain and where possible increase our annual fee surplus of at least £25,000 by the end of March 2019** - Budget monitoring period 9 indicates that by year end our Surplus for year 2018/19 could be £10,649, this is less than half of the target amount.

Further details of the progress of our service objectives can be found in [appendix B](#).

3. Our performance indicators are showing on track with four showing a status of concern.

- **Number of focused vehicle license checks** - Visits to licensed premises are down over the last quarter although it remains focused activity and nearly 100 visits have occurred this year. The licensing team carries a vacancy (due to be filled in Feb') which restricts some operational work and followed retirement of an officer and recruitment of new staff over the last quarter.
- **Percentage of Stage 2 complaints responded to within stated timeframes** – Awaiting management note
- **Days taken to process new Housing Benefit claims** - We are currently working through a transition period to Universal Credit which is impacting on our performance.
- **Working days lost due to sickness absence** - It is anticipated that we will be above our target for absence for 18/19. As previously reported, there has been a significant increase this year in employees who have been absent for two months or more as a result of surgery and serious health issues for 2 or months. These cases are all proactively managed and we started to see levels reduce towards the end of 2018.

Further details of the progress of our performance indicators can be found in [Appendix A](#)

Quarter 3 Performance Report 2018-19

Performance Overview, Council Plan Actions and Key Performance Indicators

February 2018

Document Key

Action Status classification

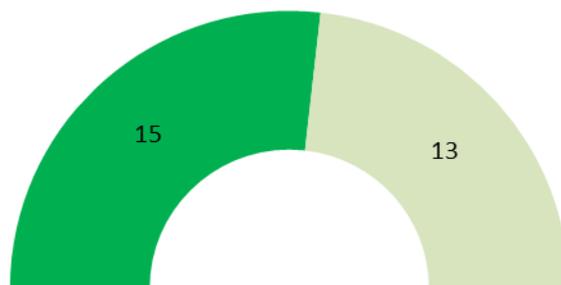

- Red (Concern) highlights targets with serious problems or significant delays.
- Amber (Variation) indicates actions with mild concerns or minor setbacks.
- Green (Achieved) displays special achievements or early completions.

Performance Indicators (PI)

- The 'Previous Year End' column reports performance at the end of 2017/18, if that information is available.
- The 'Current Target' column represents the annual target some measures no longer have targets or are not suitable for targets.
- The columns 'Q1 Act', 'Q2 Act', etc. show the actual year to date situation for each Performance Indicator. The key for the colours is as follows:
 - Red (Concern) – if the PI is 10% or more below the target.
 - Yellow (Variation) – if the PI is between 10% and 0.1% below the target.
 - Green (Achieved) – if the PI and the target match exactly or the PI is above the target.
- The Direction of Travel column shows if the PI has improved since the same period last year. An up arrow showing improvement, a down arrow showing deterioration and a level arrow showing a static trend.

Council Priority 1 – Encouraging communities to be outstanding

Council Action 2016-20	Status	Comments
Deliver quality green space and wildlife habitats alongside new development.	Achieved	Through negotiation on planning applications we continue to require the delivery of high quality green spaces and the retention and enhancement of wildlife corridors as part of new developments.
Deliver the Local Plan to meet the district's aspirations and needs in terms of the different housing people need and land for employment.	Achieved	Delivered in 2016/17
Ensure that council homes are well maintained and managed effectively with high tenant satisfaction.	Achieved	Adequate budgets and processes are in place to ensure that tenant's homes are maintained and managed to a high standard. The HRA Business Plan has been refreshed and adopted in September 2017. We are preparing in the process of procuring a new repairs and works to voids service as our current contract moves towards expiry. The new contract will have the provision for performing planned and cyclical works to our stock.
Ensure that the activities which require it are appropriately licensed.	On track	The team achieves all daily/weekly deadlines without backlogs or causes for concern. Fees are being collected correctly and expeditiously.
Extend our range of community development activities to work with people of all ages, focusing particularly on the issues of health and wellbeing, worklessness and financial and digital inclusion.	On track	This quarter tenants have enjoyed our Harvest Moon event, benefitted from the Food Share project we are developing with Tesco in Axminster whereby Housing staff collect excess food and take it to our community centre on the Millwey estate for distribution to people in need.
Extending the housing options service and meeting the housing needs of our residents	Achieved	The housing options service is under constant review, matched to customer demand and taking into account the implications of the Homelessness Reduction Act
Implement the actions and commitments in our Public Health Plan.	Achieved	Report published for 2017/18.
Return empty homes to beneficial use.	On track	We have now recruited to the Empty Homes Technical Officer position and the new officer commenced at the beginning of January 2019. The service continues to manage the reactive responses to customers information regarding long term empty properties and carry out the investigation and where necessary statutory functions. Now that the post has been filled the new officer will have a set of objectives including progress towards refreshing and updating the Empty Homes Policy as well as providing more robust statistics regarding long term empty homes.
Review our business plan for council homes to maintain a viable level of income and expenditure following changes in government policy to ensure that we continue to achieve a high level of tenant satisfaction.	Achieved	The HRA Business Plan was updated in September 2017. We need to maintain this as a dynamic document and a further refresh will be triggered when we start to receive new stock condition information and after the new Integrated Asset Management contract goes live.
When development happens, ensure that the natural environment and historic buildings are protected from inappropriate development.	Achieved	The assessment of planning applications ensures that the natural environment and heritage assets are protected from inappropriate development indeed special protection is granted to designated habitats and heritage assets.

Performance Indicators	Prev Year End	Current Target	Q1 Actual	Q2 Actual	Q3 Actual	Q4 Actual	Direction of travel
Number of affordable homes delivered	233	25 (1/4)	28	61	108		↓
	<p>We are still waiting for one provider (Heylo) to come back to us, initial figures are:</p> <p>47 affordable units which includes 1 acquisition by EDDC. 18 for affordable rent (includes the 1 EDDC purchase) and 29 shared ownership (included in this are 6 rent to buy units).</p>						
Number of households living in temporary accommodation	12	30 (2/4)	33	26	33		↓

Council Priority 2 – Developing an outstanding local economy

Council Action 2016-20	Status	Comments
Continue to support the growth of the Greater Exeter's economy through promoting employment sites identified in our Local Plan.	On track	<p>With the Local Plan approved this promotes confidence to bring sites forward. Economic Development involvement in planning applications regarding employment sites has significantly increased in 2017/18 to support delivery of economic growth in the district.</p> <p>Multiple applications and development underway e.g. Lidl logistics centre complete and future logistics development in planning, Marks and Spencer Exmouth and Honiton stores now open. Enterprise Zone infrastructure projects underway with a new bus service linking the Science Park to Exmouth and Exeter with Woodbury, Exeter airport and the Met Office in between. HQ for Live West completed and operational on Skypark. Science Park grow on buildings 1 and 2 completed using EDDC loan facility. Further high-tech facilities development at the science park have been approved.</p>
Deliver our target to pay businesses within ten working days and through our Procurement Strategy encourage local business to do business with the council.	Achieved	This objective is also a performance indicator which is monitored in the performance indicator section below
Deliver projects to help create the conditions for local economic growth in partnership with neighbouring authorities where shared objectives exist and improved efficiencies evidenced.	On track	Through the Enterprise Zone and Greater Exeter area council's partnership we will continue to secure significant central government and private investment. Joint working with the County and neighbouring district councils continues. Joint planning and engagement in Growth and Development Board implementation. Support to major energy, transport and communication infrastructure. Joint working with the LEP and two county partners on a local strategy to identify sub regional investment priorities.
Identify and bring forward a pipeline of regeneration and development projects across the lifetime of the Council Plan to deliver benefits through regeneration and/or capital receipts.	On track	The R&ED team is focussing on the opportunity for delivering workspace in Axminster at the Cloakham Lawns development site where there is an allocation of land for employment use. The s.106 agreement allows for a transfer of land to EDDC for employment use.

Implement the serviced workspace study recommendations and initiate site specific detailed reviews and business cases to seek investment and funding.	On track	For direct delivery of workspace: Feasibility and development appraisal required for phase 3 Business Centre, followed by seeking funding for delivery. Also, the feasibility work on the Cloakham Lawns project in Axminster as set out previously. Indirect support: A regular attendee of East Devon Business Centre 'Jelly' co-working sessions is soon to launch their own shared workspace venture. 'The Lighthouse' in Sidmouth will bring together self-employed people, homeworkers and entrepreneurs. After being informed and encouraged to apply for Devon Work hubs funding by Economic Development, Cathy Debenham was successful in securing support. More than a year of hard work followed, transforming the old garage on Mill Street which will be officially opened on 10th January 2019. It will provide contemporary workspace where people who have been isolated working from home can come together to collaborate, support each other, improve their productivity and grow their businesses. In addition, support was provided to the Exmouth Propeller Group to establish workspace within a vacant building in Exmouth, by providing business rates relief.
Increase income from existing assets either directly or through local partnerships.	On track	On target with % increase in income as per new Service Plan objectives. Working with local partnerships is a possible outcome following the completion of the Beer pilot.
Secure new job opportunities in conjunction with development arising from the Local Plan for local residents (both young and disadvantaged in the labour market).	On track	The Regeneration and Economic Development team provide comments through the Economic Development Manager to all planning applications which are employment related, or where there is a risk of loss of employment land. We respond positively to commercial applications that are consistent with the Local Plan to secure new employment and we defend against the loss of employment land which would inhibit our ability to deliver job opportunities in the future. The number of responses made by the Economic Development Team during last year was 56 in 2017/18, up from 16 in 2014/15.
Work in partnership with and gain the positive support of town councils and local partners to identify and deliver new opportunities for regeneration.	On track	Award winning Seaton Jurassic continues to operate successfully with at least 45k visiting the centre last year. Seaton Tramway redevelopment completed and operational. Sidmouth Drill Hall site marketing underway. Exmouth Mamhead slipway fully operational and Queens Drive planning approval secured. Exmouth seafront temporary attractions were successful throughout the summer and the play area remains open. Cranbrook town centre master planning process underway.
Work with Exeter and Heart of Devon (EHOD) partner economic development teams to produce a joint economic development strategy which prioritises inward investment.	Achieved	The initial work of preparing a Joint Economic Development Strategy was completed in December 2016. We are continuing to work with the EHOD partners on the delivery of that strategy, focussing on skills and employment, inward investment, strategic land opportunities and business support.

Council Priority 3 – Delivering and promoting our outstanding environment

Council Action 2016-20	Status	Comments
Adopt a Green Space Strategy, the purpose of which is to value and help protect our natural environment.	Achieved	Green Space Plan adopted by Full Council and actions within it are being taken forward by an service wide implementation group
Adopt Beach Management Plans (BMP) for our beaches working closely with town councils and manage the risk of coastal erosion and flooding.	Achieved	As with last year we now have adopted BMPs for Exmouth, Sidmouth and Seaton. We are working towards the various action plans or working up coastal defence schemes. In relation to Budleigh Salterton, as previously reported there are no pressing concerns relating to coastal defence or erosion here and so no requirement for a beach management plan. Our Engineers are working with partners and stakeholders to assess requirement for a BMP at Budleigh. A small study will be undertaken to analyse the need and possible issues.
Enter into a new innovative recycling and waste collection contract extending the options for recycling and reducing waste that is incinerated or sent to landfill.	Achieved	The new service is now embedded and working well. Our new green waste service has also been successfully rolled out with now 9100 customers using this service.
Explore opportunities for securing a Blue Flag for the beaches in East Devon.	Achieved	We have successfully applied for Seaside Awards for Seaton and Exmouth. These are the level below Blue Flags and we have done this to prepare for future Blue Flag applications. Work will continue in preparing our beaches for Blue Flag status. We plan to apply for a Blue Flag at Exmouth in 2019 and Seaton in 2020. Sidmouth also has potential for Blue Flag status and we are considering a Seaside award for Budleigh. Andrew Hancock
Implement a programme of fuel efficiency measures for council properties.	On track	This objective is embedded continually within the day to day work of the housing service. When responding to reactive issues, Surveyors are ensuring that properties are decent and that any improvements can be considered. Our first air source heat pump project has been running successfully at Rodney Close in Exmouth and discussions are underway to identify the next suitable site. The boiler upgrade project also commencing at properties identified as requiring a heating upgrade, legal are currently processing the contract so the project can begin.

Council Priority 4 – Continuously improving to be an outstanding council

Council Action 2016-20	Status	Comments
Continue to develop self service capability of our website so that customers can access services online if they wish to.	On track	Currently improvements are ongoing to content but major improvements to transactional capability of our website will start with the Firmstep project which is due to commence in March 2019. This will deliver our digital platform.
Continue to identify opportunities to save money across Teignbridge, East Devon and Exeter City councils as well as through established frameworks nationally.	Achieved	Details are included in the Council's adopted Transformation Strategy with progress reviewed by the Budget Working Party
Implement the approved Strata Business Plan (a wholly-owned ICT company by East Devon, Exeter City and Teignbridge councils) in order to deliver savings, reduce risks and improve capability for IT-enabled change.	Achieved	Strata business plan implemented. Currently delivering against Business plan with financial savings above target. Full details reported to Joint Scrutiny Committee and Joint Executive Committee
Relocate to Honiton and Exmouth Town Hall and establish surgeries where necessary to meet identified demand for particular services.	On track	Exmouth Town Hall refurbishment completed on time and now operational. Construction of the new HQ Blackdown House Honiton nearing completion and on target for the revised relocation phased dates of January / February 2019.

		<u>Facilitate asset transfer within Cranbrook (Worship Land and Younghayes Centre) by Nov 2018</u>	Property and Estates	Transfer of Younghayes almost complete. Town Council resolved late 2018 to progress with transfer despite some acknowledged and managed risks. Legal work is progressing well and anticipate completion by end of financial year. Outside of Council's control.
On track	P&E-PA-2381	<u>Present to Asset Management Forum proposals to consider ways forward for sport and social club tenure arrangements – by Nov 2018</u>	Property and Estates	Provided for within 2019/20 Service Plan. SMT and AMF supported new ways of working across Council.
Variation	LGL-PA-2315	<u>Provide governance advice and support for any devolution deals or further joint committees that may come forward</u>	Governance and Licensing Services	No change since last report - no progress to speak of.
On track	EEP-PA-2326	<u>Support for Healthy New Towns and Sport England pilot status and delivery of further community infrastructure to support the Cranbrook new community. Investment proposition to be agreed by EDDC by Oct 2018.</u>	Growth Point Team	Investment proposal being readied to support the re-provision of a community development role in Cranbrook.
On track	pla-PA-2368	<u>To identify and where necessary purchase appropriate sites for the provision of Gypsy and Traveller pitches to meet the needs of this group within the community by April 2019</u>	Planning Strategy and Development Management	We are working with DCC to see if sites that they own could be brought forward to provide gypsy and traveller sites while the Cranbrook Plan DPD is being progressed through to Strategic Planning Committee in February and includes the provision of sites would assist in meeting the identified need.
On track	pla-PA-2366	<u>To produce a detailed masterplan for the future development of Cranbrook that will detail how we will make Cranbrook an outstanding new community and to submit the Plan for examination by April 2019</u>	Planning Strategy and Development Management	The Cranbrook Plan is to be presented to Strategic Planning Committee on 20th Feb for them to consider a draft of the document for consultation. This would then be reported to Council and then consulted upon prior to submission for examination.

Variation	pla-PA-2369	<u>To write and consult on an affordable housing Supplementary Plan Document to detail our expectations for the delivery of affordable housing by April 2019</u>	Planning Strategy and Development Management	The aspiration is for a draft Affordable Housing Supplementary Planning Document to be presented to Strategic Planning Committee in March 2019 seeking authority for public consultation.
On track	HOU-PA-2340	<u>We will actively involve tenants in all aspects of the Service by implementing the Tenant and Council Partnership Statement & Resident Involvement Strategy</u>	Housing	This quarter tenants have attended joint training with staff provided by the Ombudsman, focussing largely on customer complaints, met to edit the draft Housing Matters magazine to tenants and worked as the Tenant Scrutiny Group to examine lines of communication within the Support Service, as well as attending multiple other regular resident association meetings and service review groups.
On track	HOU-PA-2341	<u>We will continue to improve housing standards within the private sector across the district through advice, informal and formal enforcement interventions</u>	Housing	The service is continuing with the systems thinking review, at present we are in the planning stage of this review which will be looking specifically at the demand/what our customers want. We are also looking at reactive/proactive work loads and how these impact the service. With a lot of new legislation particularly licensing and enforcement there is a need to get processes and procedures in place as well as work with other council services to ensure that any fees and fines are recovered to enable our service to grow. The Systems Thinking review is taking place and is focussing on the new Mandatory Licensing Process.
On track	HOU-PA-2337	<u>We will continue to improve our existing stock by investing in planned improvements and cyclical maintenance as set out in the Housing Revenue Account Business Plan</u>	Housing	Senior Technical Officer continuing to oversee all planned works programmes, working closely with finance to ensure budget remains on track with monthly budget meetings carefully monitoring spend. Monthly contract meetings ongoing across a range of work streams, ensuring robust contract management to keep programmes on track and ensure tenant satisfaction. The current years programmes are a mop-up of the previous 5 year improvement programme to stock which is currently running approximately 12 months behind. On receipt of new stock condition data, a new programme of works for the following 5 years will be devised.
On track	HOU-PA-2339	<u>We will continue to increase our range of digital technology and telecare devices to</u>	Housing	Home Safeguard continues to offer a range of digital peripherals alongside alarms that are appropriate to individual needs, such as pressure

On track	HOU-PA-2338	<u>We will continue to make sure all our properties (and where appropriate private sector homes) are safe, meet all health and safety requirements and comply with all relevant legislation</u>	Housing	Compliance remains a top priority for the service. Safety of our properties is always considered and any situations that may compromise this are immediately dealt with as a priority. Our relevant policies set out a number of processes in the event of what to do if a property is found to be unsafe.
On track	HOU-PA-2335	<u>We will continue to use Right to Buy receipts and Housing Revenue Account reserves to purchase or build a minimum of 20 properties per annum to add to our existing council stock</u>	Housing	14 purchased at the end of quarter 3
On track	HOU-PA-2342	<u>We will enable people to stay in their own homes for longer by implementing the Devon Housing Assistance Policy</u>	Housing	The Policy has been approved and is now in the process of being rolled out in East Devon. It is likely to commence fully in September 2018. There will be extra demand on the service as these new grants are rolled out. The present demand for top up funding through the new Devon Housing Assistance policy has been limited and mainly involves large scale adaptations for children with disabilities. We are anticipating a few cases for top up funding from the council housing service. Otherwise the demand for Disabled Facilities Grants's has increased and other financial assistance has remained steady. Figures to be provided at Q4.
On track	HOU-PA-2343	<u>We will organise community events to build relationships with and earn the trust of residents living on our estates</u>	Housing	We continue to run community events to engage with all age groups in the community; examples this quarter are SWITCH clubs and activities with young people and coffee mornings, film shows, wassailing in our community orchards for adults and families.
Variation	HOU-PA-2336	<u>We will procure a repairs and work to voids service which adopts an integrated asset management approach which meets tenants' aspirations and maintains the Councils assets in good condition</u>	Housing	Covered in medium/large scale projects

This allows for flexibility during the delivery of any future development on the phase 3 area, so that a leisure offer is always in place on part of the site. Work has now commenced on phase 1, the road and car park and is expected to complete in May 2019. The work on phase 2, the watersports centre will commence thereafter. For phase 3, HemingwayDesign have now concluded their online questionnaire and received over 1200 responses. The next stage is to work up some concept and design ideas that are viable and delivery and can be further consulted on.

On track	EH-PA-2406	<u>We will continue to work in partnership with the Environment Agency to ensure that the public have access to good quality information allowing individuals to make informed decisions about swimming in East Devon's classified bathing waters</u>	Env Health & Car Parks	East Devon managed beaches received the highest water quality classifications when the results were announced last autumn. No short term pollution incidents were reported on East Devon beaches last summer and electronic signage should mean that the public are alerted in good time to the risk of short term pollution incidents following rainfall.
On track	HOU-PA-2348	<u>We will deliver through the Cosy Devon Partnership schemes to improve energy efficiency measures in the private sector</u>	Housing	Through the Cosy Devon partnership we work with Agility Eco who provide a scheme called LEAP which provides advice to householders on energy efficiency measures as well as arranging where appropriate measures to be installed. We also have published an Eco Flex statement for installers to apply relevant customers to in order to provide energy efficiency measures this is beginning to gather pace. Through our Eco Flex statement we are able to provide small additional funding where customers have a shortfall between the cost of the measures to be installed and the funding that the installer has available through their bids into the Energy Company obligations funds. We have recently presented and had approved a Devon Wide Housing Assistance Policy which includes Eco Flex Funding. The funds for Eco Flex measures is coming from the Better Care Fund allocation and supports our work with vulnerable, elderly and disabled people within East Devon. This is a complex area of work and being part of the Cosy Devon Partnership with other Devon Authorities and Devon County Council provides East Devon with shared expertise as well as greater opportunities to provide advice and where possible energy efficiency measures to our householders. On track	OD-PA-2364	<u>Act as client lead for Strata ensure that IT delivery into the Council is the right IT, in the right place at the right time to support service improvement, our worksmart strategy and digital services platform</u>	Organisational Development	The introduction of the Client Lead role and the regular project review meetings has facilitated better communication between Strata and EDDC managers and staff and continues to assist with the prioritisation of Business Change REquests and Projects.
Achieved	OD-PA-2351	<u>Act as client sponsor for Strata in relation to telephony roll out to the rest of the Council in advance of relocation and ensure roll out is complete by end June 2018</u>	Organisational Development	The roll out of new telephony across the Council is now complete and the old system has been switched off. Staff have been reminded that they are individually responsible for keeping their telephony up to date particularly in relation to voicemail and call forwarding. The next stage is to train superusers to ensure that services can change call forwarding etc. As part of this implementation we now have much better management information regarding calls - such as calls received, calls abandoned etc. We will now ensure that each Service Lead engages with Strata to understand the telephony data in their area and we will start to incorporate telephony data into our performance reporting corporately.
Achieved	OD-PA-2352	<u>Arrange and carry out 121 consultation for all those relocating to Honiton by November 2018</u>	Organisational Development

The Workshops have also been held for managers to ensure clarity on key policy in relation to the move.
Concern	pla-PA-2376	<u>To continue to monitor building control fees and make competitive bids for work that more than cover the costs of the service in order to maintain and where possible increase our annual fee surplus of at least £25,000 by the end of March 2019</u>	Planning Strategy and Development Management	Budget monitoring period 9 indicates that by year end our Surplus for year 2018/19 could be £10,649, this is less than half of the target amount.
On track	pla-PA-2375	<u>To continue to work to maintain and where possible increase the Council's market share in building control plan checking and inspections to 70% of the market or higher by May 2019</u>	Planning Strategy and Development Management	We continue to maintain a market share of around 70%, however fee income has been lower than anticipated in recent months and may impact on market share although this may be a reflection of a decline in building across the board.
On track	pla-PA-2378	<u>To develop and fully implement a largely automated system for undertaking the monitoring of housing delivery in the district such that the Council's 5 year housing land supply position can be consistently monitored with minimal resource by October 2018</u>	Planning Strategy and Development Management	The system is up and running though there are data processing issues that independent of the system that need to be followed for the system to work. There are also aspirations to improve and the system and expand its application and functionality.
Variation	pla-PA-2377	<u>To review our CIL charging schedule and Reg 123 list to ensure income from CIL towards the delivery of infrastructure is maximised without making developments unviable by the end of 2018</u>	Planning Strategy and Development Management	At 31 December 2018 evidence production (an external commission) was in production. The aspiration is that a proposed revised charging schedule, with approval sought for public consultation, will be presented to Strategic Planning Committee in February 2019.
Achieved	OD-PA-2362	<u>Update key employment policy for EDDC and Strata in relation to legislative changes and reviews required as required including GDPR</u>	Organisational Development

		<u>We will establish, coordinate and Chair a series of East Devon Safety Advisory Group meetings in 2018. We promote the work of the group and ensure that it is accessible via our website. We will invite event organisers to attend along with regulators including the police, fire service, ambulance service and Highways Authority. There will be a minimum of four East Devon Safety Advisory Groups held to consider events during 2018</u>	Env Health & Car Parks	
Variation	EH-PA-2409	<u>We will continue to work with colleagues from Strata, Exeter City Council and Teignbridge District Council to explore the possibility and feasibility of achieving efficiency savings and quality benefits by delivering some of our corporate health and safety advice services on a shared basis across the three authorities. Will review progress in March 2019</u>	Env Health & Car Parks	This remains an aspiration but there has been no significant progress this quarter
On track	EH-PA-2412	<u>We will work in partnership with Devon County Council to offer an Exmouth pilot for allowing people with motorhomes and campervans to stay in off-street car parks close to where they want to be without occupying on-street seafront car parking spaces to the detriment of the local environment and the amenity of the area, starting in July 2018</u>	Env Health & Car Parks	First summer completed with some issues concerning availability of parking at Imperial Recreation Ground for water users. In 2019 we hope to have created the new entrance for Maer Road car park allowing motorhomes to park there as well.

Agenda Item 10

Scrutiny Committee

Scrutiny Committee Forward Plan 2018/19		
Date of Committee	Report	Lead
7 Mar 2019	Fly Tipping Quarterly monitoring of performance – 3rd quarter 2018/19 October to December 2018	Andrew Hancock – Service Lead, Streetscene
4 Apr 2019	South West Water – Their approach and policies in relation to Planning and Development issues; proactive work with Developers and working in partnership with EDDC. Broadband / Gigaclear Scrutiny Annual Report	Rep to be confirmed Tbc

Work for allocation to the Forward Plan as appropriate:

Proposed date	Topic
tbc	Service Plans & associated budgets – rolling programme.
tbc	STRATA Service delivery
tbc	Invite to the Police & Crime Commissioner to attend a meeting to discuss issues such as Anti-Social Behaviour, Vandalism and the reducing presence of Police Officers. (Awaiting confirmation of date).
Update report to be provided to committee for information	Update from Estates Team one year after recruitment of Property Records Officer and Business apprentice (from approved 2017/18 budget)

Topics put forward for further information or for scoping that remain outstanding are:

- At the Development Management Committee (DMC) on 30th October, discussion relating to a particular application indicated a failure by South West Water to object to planning applications on the grounds of inadequate sewerage capacity. As a result, it was agreed that DMC would ask Scrutiny Committee to invite representatives of SW Water to a future Scrutiny Committee meeting.
- Fly tipping - Charges and associated issues (Cllr Rylance)
- Broadband issues – to be reviewed in approx. 6 months
