

Recommendations for Cabinet that will resolve in an action being taken:

Poverty Working Panel held on 21 March 2022

31 Energy Briefing Update

RECOMMENDED

- To lobby government for more support with energy costs including for a price cap on heating oil and LPG so that they are provided the same level of protections that consumers have with electricity and gas.
- To lobby government on further emergency funding to continue to help people to eat, now that the Housing Support Fund is finishing.
- To lobby government to impose a 300% council tax charge for second home owners.
- To lobby government for a register of private sector landlords.
