Recommendation:

It was RECOMMENDED that:

Senior officers approve:

The proposed arrangements for cash collection and an exemption to contract standing orders to enable Teignbridge District Council to provide the service and delegate authority to the Strategic Lead Finance to finalise the terms and enter into an appropriate agreement.

The recruitment of an additional officer within the car parks team to enable in-house cash collection.

Cabinet agreed that the remainder of the issues (the policy for use of EDDC pay and display car parks by campervans and motorhomes, recruitment of an additional officer (with budget request of £30k) to enable effective management and enforcement of the campervans and motorhomes policy and future use of Exmouth Lorry Park) be brought back to a future meeting of Cabinet.

Decision:

To approve the recommendations of the Cabinet meeting on car park issues on 4th May 2022 as set out in the recommendations above.

Reasons for decision:

To approve an exemption to standing orders in respect of tendering a contract for cash collection services on the basis that our customers are now moving towards card and mobile-phone payment options.

To develop a policy to set out our rules for overnight parking of campervans and motorhomes in our public car parks will enable our officers to properly manage and

enforce inconsiderate and inappropriate behaviour that impacts on the environment and on neighbours.
To provide an in house staffing solution to delivering both of these will give flexibility and offers value for money.
