# PEBBLEBED BIKE CODE

Today's riders will shape the future condition of the trails and the image of mountain biking. By following this code and encouraging others to do the same, you can be sure that you are enjoying the heaths in a way that respects other visitors, wildlife and landowners, keeping the trails in good condition for all to use and enjoy.

- Pass slow and say hi! Give way to walkers and horses
- Follow trails to protect the landscape and wildlife, avoid creating new lines
- Take care of yourself and the trails, avoid routes that are sensitive to damage
- Always shut the gates, read and follow signs and report any problems
- Don't modify trails or build jumps
- Organised cycling events need a licence from the land manager

For more details or to enquire about a licence please visit [pebblebedheaths.org.uk](http://pebblebedheaths.org.uk)
