I support the licence request for the H-Fest Festival to be held at:-

Lower Halsdon Farm, Mudbank Lane, Exmouth,EX83EG on 30th and 31st August 2019.

I am happy that the four licensing objectives namely;

Prevention of Crime and Disorder:

- Suitably qualified site supervisors will be employed, to ensure no one under the influence of drugs or alcohol is allowed access to the site
- Site supervisors will be employed for the entire duration of the event.
- Site supervisors will wear clothing that makes them clearly identifiable in that role.
- CCTV is installed covering the entrance/exit to the site.
- CCTV images will be retained for a minimum of 14 days and be produced on the request of the police or us (recording media must be set to 25 frames per second).
- The CCTV system is operational at all.
- A4 sized warning notices must be displayed in public areas of the premises and at all entrances advising that CCTV is in operation.
- No one carrying open or sealed bottles or glasses will be admitted to the site at any time.
- No customers will be permitted to take open containers of alcoholic or soft drinks from the premises.

Public Safety:

- An appropriate method, will be used for checking the number of people entering and leaving the site and ensuring that once the maximum occupancy is reached, no further persons are admitted.
- Irresponsible drinks promotions must not be permitted.
- The licence holder or people authorised by them will check the premises before it opens to the public to ensure there are no risks to patrons and that all safety precautions are in place.
- The licence holder will ensure all staff receive appropriate training about emergency and general safety precautions and procedures.

- The licence holder will ensure that all staff are aware of their social and legal obligations and their responsibilities regarding the sale of alcohol.
- Free drinking water will be made available at all times the site is open to the public.
- All bottles and glasses and rubbish must be removed from public areas on a regular and frequent basis.
- An adequate and appropriate supply of first aid equipment and materials will be available on the premises.

Prevention of public nuisance:

- The licence holder will ensure that staff regularly patrol the site to supervise the orderly conduct of patrons.
- Prominent, legible notices requesting people to leave the premises and the area quietly will be displayed at the exits.
- The licence holder, or persons authorised by them, will control the volume of regulated entertainment taking place at the premises.
- To minimise the effect of littering, the applicant will provide litter bins on site.
- Where drinks are going to be consumed in outdoor areas they will be served in plastic or toughened glass.

Protection of children from harm:

- A challenge 21 policy will be employed where those individuals who appear to be under the age of 21 attempting to purchase alcohol must be asked for identification. The only type of ID that will be accepted is PASS accredited ID, passport or photo driving licence.
- Only plastic glasses or bottles will be permitted in children's play areas, beer gardens and recreational areas, or in any area where customers are required to remove footwear.

Have all been met to a satisfactory standard.
