Cllr Ian Priestley, Chair of Colyford Parish Council spoke with the full support the Parish Council who were present. He was concerned that the transfer of land and associated documents from Colyton Parish Council had not happened even though it had been reinforced by a Judicial Review in the High Court six months ago which was not subject to an appeal. He stated that last October he was promised the full support of Cabinet on this matter. The continued delay was causing additional expenses and time wasting for Colyford PC. He asked that he get a written response from the council's legal department to what was being done to force the reorganisation order by Friday 10 May 2024.

190 **New Communities in East Devon**

The Assistant Director – Growth, Development & Prosperity stated that the council had a track record of bringing forward major strategic developments, particularly in the West End of the District. Since the late 2000s these developments had been set up such that they included some form of enhanced local management regime, notably in the form of an Estate Management Company. Whilst the council had fulfilled its statutory obligations, it had not adopted public open space or other discretionary facilities. This had inevitably altered the mix and balance of public service delivery, in terms of the funding regime and the role that the District Council plays, relative to more established settlements.

The report sought to take stock of this approach. This was in the context of the District continuing to grow at a rapid pace and preparations beginning to be made for accommodating a second new community. This would ultimately lead to a scenario whereby around 20% of households in the District would be the subject of these alternative arrangements by 2040.

Cllr Kim Bloxham read out the following statement.

‘This report is very welcome, long overdue and presents a refreshing approach to how officers are recognising the wider impacts of strategic development in the West End. The old and new East Devon referred to in the report is welcome now, perhaps finally, it can benefit from the lessons learnt during the past 12 years or so of development at Cranbrook.

Just to dwell on management companies - the experience at Cranbrook was of an expensive and totally ineffective management company that left a legacy of poor maintenance and a great deal of remediation of open space once the Town Council managed to assume responsibility.

I agree with our officers, that management companies do not work when it comes to major development. It is true that the Town Council was successful in taking over responsibility for public open space and assets like play parks, but the Town was

fortunate in that it had the co-operation of the developer consortium. Since then, the Town Council has been approached by many towns and parishes for advice on how to move away from management companies in their areas. This includes areas within East Devon. Only one other Parish has managed this nationally. It is extremely difficult to wrest responsibility from a management company if there is resistance and this has proved to be the case across the Country. So, the message on management companies is - do not go there in the first place and find a way to manage open space locally.

In terms of the Cabinet recommendations, these are supported with the following comments:

Recommendation 1. The Planning Advisory Service report is welcomed and helpful and forms a strong basis to move forward particularly in how the Town and District can work together more effectively. This is particularly so with regards to the PAS recommendation 5 about both the Strategic Delivery Board and Partnership Board and PAS recommendation 8 about a re-set and improvement of relations with the Town Council.

Recommendation 2b. The Community Governance Review needs to be commenced as soon as possible if it is to avoid the difficulties with Management Companies. There does however remain some concern about whether the surrounding Parishes will support such a review and the consequences if they do not.'

The Chair wished to thank Councillors Bloxham, Blakey and Hawkins for their efforts and achievements in getting to this stage of the Cranbrook development.

RESOLVED that Cabinet:

1. Notes the findings of the Planning Advisory Service report and associated recommendations as set out at Appendix B
2. Requests that the incoming Chief Executive, and the Assistant Directors for Planning Strategy & Development Management and Growth, Development & Prosperity, in conjunction with the Strategic Planning Portfolio Holder urgently review this report and its recommendations, and to propose any additional recommendations to Cabinet, whilst Cabinet:
 - a) Endorses the proposed terms of reference for the Cranbrook Placemaking Group to take forward recommendation 5 from the Planning Advisory Service report.
 - b) Endorses the principle of re-activating the Community Governance Review for Cranbrook in consultation with ward members and local communities.
 - c) Endorses undertaking a strategic review of the Council's approach to the delivery of assets and services in major new developments to take forward recommendation 9 from the Planning Advisory Service report.

RECOMMENDED to Council:

- d) That a budget of up to £80k is made available from the general fund to ensure that capacity is in place to undertake both the Community Governance Review for Cranbrook and wider strategic review of asset and service delivery in major new developments.

REASON:

To ensure that new communities in the District continued to be supported by high quality community infrastructure and public services.

To ensure that there were effective governance arrangements in place, both currently and to support the continued expansion of Cranbrook.

191 Response to the Clyst Honiton Neighbourhood Plan Submission

The purpose of the report was to formally agree the response by the council to the submission consultation for the Clyst Honiton Neighbourhood Plan. Clyst Honiton Parish Council had formally submitted their Neighbourhood Plan to the District Council. The Neighbourhood Planning (General) Regulations 2012 (Regulation 16) required the District Council to formally consult on the Plan for a minimum of 6 weeks.

Cllr Peter Faithfull stated his concern that Clyst Honiton did not have a village hall and had to use other parishes facilities for their meetings. In an area of high employment per head of population he felt they should be better treated and thought the larger employers in the Parish could offer their support and contribute to this.

Cllr Olly Davey thanked officers for their contribution to this thorough Neighbourhood Plan.

RESOLVED that Cabinet:

1. Note the formal submission of the Clyst Honiton Neighbourhood Plan and congratulated the producers of the plan on their dedicated hard work and commitment throughout the process.
2. Recommend that the proposed representation set out at paragraph 1.21 in this report is made in response to the consultation.
3. Give delegated authority to the Assistant Director - Planning Strategy and Development Management in consultation with the Portfolio Holder – Strategic Planning to consider and make a decision on the examiner's findings and, if considered appropriate, to proceed to the next stage of the plan making process as set out in the Regulations, without further need to seek agreement from Cabinet, in line with paragraph 1.15 of this report.

REASON:

To ensure that the view of the District Council was formally recorded and informed the consideration of the Neighbourhood Plan by the independent Examiner, and to help ensure that after the examination, a decision could be made on the Examiner's findings within the 5-week timescale set out in the Regulations.

192 Exemption to Contract Standing Orders - Strategic Flood Risk Assessment

The report advised of an Exemption to Standing Orders of the appointment of consultants, to undertake a Level 2 Strategic Flood Risk Assessment to support the emerging Local Plan. The exemption had been formally signed by the Assistant Director for Planning Strategy and Development Management, Director of Finance and Director of Governance and Licensing.

RESOLVED that Cabinet:

That the Exemption to Standing Orders had been approved in accordance with the council's Contract Standing Orders Rule 3.2 in respect of the appointment of JBA Consulting to undertake a Level 2 Strategic Flood Risk Assessment be noted.

REASON:

To notify Cabinet that an Exemption to Contract Standing Orders had been granted.

193 **Local Government (Access to Information) Act 1985 - Exclusion of Press and Public**

194 **Station Road Countryside Park - Delivery & Management Options**

The report provided an update on the delivery and future management of a 10Ha Country Park at Station Road, Broadclyst which sits within the wider Clyst Valley Regional Park.

RESOLVED that Cabinet:

1. Approves the preferred option for the management and ownership of the Country Park and delegates authority to the Assistant Director - Countryside & Leisure, in consultation with the Director of Finance and the Director of Governance and Licensing, to develop arrangements for the future management of the site with engagement from local Ward Members and Broadclyst Parish Council and local communities.

Delegates authority to the Assistant Director – Countryside & Leisure in consultation with the Assistant Director Place Assets and Commercialisation, Director of Finance and Director of Governance & Licencing to finalise the acquisition of the additional land, subject to the completion of appropriate legal documentation.
4. Subject to CIL Member Working Party's decision, approves the increased budget for delivery.
5. Requests that the Assistant Director - Countryside & Leisure, in consultation with the Director of Finance and Director of Governance & Licencing, prepares a future report to Cabinet to set out the proposed arrangements for a Special Purpose Vehicle to enable East Devon District Council to maximise the biodiversity value of the site (and other future sites).

RECOMMENDED to Council:

1. The provision of a budget for the 2024/25 financial year to support deliver of the project.

REASON:
