

Recommendations for Cabinet that will resolve in an action being taken:

Car Parking Task and Finish Forum 11 February 2021

Minute 59 The EDDC climate emergency declaration and action plan and the role of our car parking strategy in tackling this (with specific reference to investment in electric vehicle charging infrastructure and appropriate charging tariffs)

1. that the Car Parking Task and Finish Forum endorses the ongoing work with DELETTI phases 1 and 2.
2. that the Service Lead – Environmental Health and Car Parks present a report to Cabinet as a matter of urgency seeking authority to participate in the Innovate UK funded Exeter Rapid Charging project to install and operate up to 20 rapid charging units in EDDC's public car parks this year.
3. that Cabinet also approve that EDDC should investigate the options for providing electric bike charging points and the provision of an ebike rental scheme.

Minute 60 The use of cash and incentives to use alternative payment Methods

1. that in order to encourage the use of cashless payments in car parks a trial be undertaken in a car park with multiple payment machines, making just one machine available for cash use.
2. that the signage in car parks be reviewed by officers in order to simplify it, with revised wording being brought back to the TaFF.
3. that more prominent messaging be added to car park signage notifying East Devon residents of the annual permit available online.
4. that for the time being the same tariff be used for all payment methods

Minute 61 Alternative sources of revenue (events, advertising, private sector management options)

that the Service Lead – Environment Health and Car Parks, Portfolio Holder Economy and Events Officer investigate alternative sources of revenue through the use of car parks in East Devon.
