**Additional information** – an explanatory sentence or paragraph to be provided below to support each box which has been ticked:

a, b, c and h are self-explanatory.

e, f and g- Exmouth forms a major part of the playing pitch strategy and yet it has taken five years the forfeiture of a former tenant to put one of the playing pitches - Warren View - out to tender, and no evidence of any focus on maintaining the pitches. Three usable playing pitches have now become one due to a failure of the Council to maintain and invest in them between 2015-2019.

In addition, it is concerning that at Brixington Park, an informal 11-a-side playing pitch was saved by Cllr Chapman and myself in terms of proposals for the site where officers had planned to install a concrete Multi Use Games Area in the middle of the field.

It was stated in a report to the Strategic Planning Committee on the date of submission of this form that "the previous Playing Pitch Strategy, from 2015, addressed playing pitch supply and need for [football, rugby union, cricket and hockey]"

However, the evidence suggests that in some areas we have been moving backwards. Indeed, due to the loss of playing fields at Rolle College, in Exmouth (added to the Warren View situation), we have fewer playing pitches than we had 10 years ago.

Therefore, a task-and-finish Scrutiny review (holding a number of Member meetings, not open to the public) will establish why this was allowed to happen, with a view of ensuring that officers seek to implement our Playing Pitch Strategy and where possible a situation prevailing of perfectly usable playing pitches to fall into dereliction, when the objective should be the direct opposite, to maximise their uses.

There may be consideration of the introduction of key performance indicators during the strategy to ensure the strategy stays on track.

## MONITORING OFFICER COMMENTS

It is perfectly permissible for this matter to be subject to scrutiny for the reasons given. It will be for Scrutiny to decide whether it is necessary to look at this by way of a TaFF or whether it can simply dealt with through the ongoing work programme of the Committee. Timings need to be considered to ensure that outcomes can feed into the work of delivering the new Strategy.
