Document Type: Site Plan

GENERAL NOTES

Figured dimensions to be taken in preference to scale dimensions. All dimensions to be verified on site before works commence, including levels falls and such site conditions.

If you are in any doubt as to conditions, interpretation you must contact the Building Control Officer at the Council Offices or this office before further works are carried out.

Structural conditions, calculations, details of stability and support must be provided as necessary by a Civil and Structural Engineer.

Adequate site investigation must take place before any work commences to ensure that the Contractor is fully aware of all site conditions. To include, as necessary, holes for foundations, underpinning etc.

IF YOU ARE IN ANY DOUBT WHATSOEVER YOU MUST ASK BEFORE PROCEEDING FURTHER!!
