Having received the report and noted the contents, members;

RECOMMENDED:

To ensure that the Partnership Management Policy and Guidance was being followed and all partnership were being monitored.

**12 Section 106 and CIL update**

The Service Lead Strategic Planning and Development Management updated members on the progress in implementing the actions identified in the SWAP audit that was presented to members at their meeting on the 28th January. The audit report made two recommendations relating to appointing additional temporary staff resource to help get the Exacom system up to date and the updating of guidance on the participatory budgeting process. A further two recommendations were made in relation to the introduction of the public facing Exacom module and the use of Exacom for recovering outstanding payments. Officers had been working hard to progress these actions which had been largely completed within the required timescales.

The Committee thanked all officers for their hard work in resolving these previous issues.

Having received the report and noted the contents, members;

**RECOMMENDED:**

To note the progress that had been made to implement the actions of the S106 and CIL audit.
