## Officer Decision

### Consultations:

I was present at / have watched the recording of the consultative meeting which considered this item

Yes ☒ No ☐

Detail any other consultations carried out: N/A

### Other considerations:

Do the legal and finance comments and equalities impact, climate change and risk assessments as detailed in the officer report remain the same.

Yes ☒ No ☐

### Decision:

It is not necessary to take a decision on Minute 6 and Minute 11 of LED Monitoring Forum (Cabinet Minute 28). This is because Minute 6 was taken into consideration as part of the relevant report at Cabinet (Cabinet Minute 33) and Minute 11 was approved by Senior Officer Decision following a report to 8<sup>th</sup> June Cabinet meeting.

Cabinet considered the HRB minutes of 16<sup>th</sup> June at its 13<sup>th</sup> July meeting (Minute 30 refers) although these Cabinet minutes were not ready in time to be presented to Council. However, Cabinet recommended approval of Minute 15 Recommendation 2 to Council.

So save for Minute 6 and 11 of the LED Monitoring Forum (Cabinet Minute 28) the recommendations are confirmed as printed.

### Reasons for decision:

I am not aware of any reason to depart from the recommendations.
