Dunkeswell And Otterhead (Dunkeswell)	22/1547/FUL	Target Date: 09.09.2022
Applicant:	Mr Kevin Crudge	
Location:	Turbury Farm Stamps Coaches	
Proposal:	Static Home to provide managers accommodation	

RECOMMENDATION: Refusal

EXECUTIVE SUMMARY

This application is before the committee as the view of the officer recommendation differs from that of a ward member.

The site refers to an area of land to the west of Turbury Farm. The site is used for the storage of coaches as part of a business and seeks planning permission for the construction of a dwelling to be used in connection with the business. The current owners are looking to retire and the new dwelling would be for the new managers of the business.

The site is located outside of any built up area boundary, in the open countryside and is not a strategic allocation. Residential development in the countryside is resisted in the Local Plan. Due to its remote and unsustainable location and it is considered that occupiers would not be able to access essential services and facilities required for daily living by any other method of transport other than private motor vehicles. This would be contrary to Strategy 5B, Strategy 7 and Policy TC2 of the East Devon Local Plan.

It is not considered that the dwelling would have a detrimental impact upon the character of the area, residential amenity of neighbouring residents or highways. However, due to the lack of support within the Local Plan it is considered that the caravan is unacceptable in principle and this does not outweigh the relative lack of harm of the dwelling.

Therefore a recommendation of refusal is made.

CONSULTATIONS

Parish/Town Council

There were no objections to this application

Dunkeswell And Otterhead - Cllr David Key

I have no objection to the application and so support.

Blackdown Hills AONB Project Partnership

Static Home to provide managers accommodation

Thank you for seeking observations from the Blackdown Hills AONB Partnership on this application.

I can confirm that we do not wish to comment on this occasion in respect of the AONB; we are content for the planning authority to apply national planning policy and its own development plan policies, including the Dunkeswell Neighbourhood Plan, to this proposal.

Other Representations

No third party representations have been received.

ANALYSIS

Relevant Planning History

No planning history is relevant to the determination of this application.

Site Location and Description

The site refers to a parcel of land to the west of Turbury Farm. Turbury Farm was previously a farmhouse, however, the site is no longer used for farming. The site is currently used by a coach business which has been at the site since 2004.

The site is located approx. 1 km to the south west of the Highfield estate of Dunkeswell, outside of any built up area boundary. The site is within the Blackdown Hills Area of Outstanding Natural Beauty (AONB) and opposite a County Wildlife Site. The adjacent road, Long Lane, is a classified C road.

Proposed Development

This application seeks planning permission for the change of use of the land for the placement of a static caravan to be used as an independent dwelling. The structure would be single storey and would have three bedrooms, a bathroom, living room and kitchen/diner.

With the proposed covered entrance the structure would be wider than the legal definition of a caravan allowed under the various caravan acts.

The current owners of the business (Mr and Mrs Crudge) plan to reduce their involvement in the running of the business and let their daughter take on a larger role within the company. Therefore, the dwelling is said to be needed as people to remain on site for security purposes and to reduce travelling times between their current residence and the site.

Consideration and Assessment

The main issues for consideration are considered to be:

- Principle of Development
- Impact to the Character and Appearance of the Area including AONB.
- Residential Amenity
- Access and Highways

Principle of Development

The strategic approach set out within the East Devon Local Plan is to direct the majority of new residential development to existing settlements within the district that are considered sustainable. Each town which is considered sustainable is named within the Local Plan whilst other smaller towns and larger villages are also included within Strategy 27 and the adopted Villages Plan DPD. Each sustainable settlement has a designated built up area boundary whereby it is considered that there is a sufficient range of services and facilities needed to meet the everyday needs of residents and reasonable transport connections.

This site is not located within any of these settlements and is considered to be in the open countryside in planning terms. As a result, Strategy 7 applies. This strategy states that only development which accords with a specific local or neighbourhood

Plan Policy shall be permitted and where it does not harm the area's distinctive landscape, amenity and environmental qualities.

Policy H4 of the East Devon Local Plan makes allowances for dwellings for people that work in agricultural, forestry or people employed in rural enterprises or activities. The business is a coach business that provides vehicles for schools and other private hire groups. Although the provision of coach facilities is beneficial for rural communities, it is not considered to be an agricultural, forestry or other rural enterprise or activity as required by policy H4. Therefore, it is considered that the dwelling could not be justified with this policy.

Policy LE1 of the Dunkeswell Neighbourhood Plan allows for the provision of live-work units subject to a number of criteria. This policy is aimed primarily at the industrial estate adjacent to the airfield, although, the policy is not restrictive to the industrial estate. Although the site is not within the industrial estate, it is considered to be in a very separate and remote location which would not relate well to the surrounding area as required by the first criteria. Therefore, it is not considered that this policy would support the proposal.

The mobile home is not considered to be supported by policy H4 and there are no other specific policies within the East Devon Local Plan or the Dunkeswell Neighbourhood Plan which would support additional independent living accommodation outside of a built up area boundary.

Additionally, as the dwelling is located outside of a built up area boundary it is not considered that it would be located in an area that provides the services that meet the needs for everyday living. It is important to note that although the site is only approximately 1km from the Highfield estate this development does not in itself have a BUAB and nor does the main village at Dunkeswell as they were considered not to have a sufficient range of services and facilities to be deemed sustainable and justify a boundary. It is considered that any occupiers of the dwelling would be dependent on private modes of transport in order to access day to day services and facilities. There are no nearby services which can be accessed by walking and there is little public transport within the proximity of the dwelling. This would be contrary to Strategy 5B and Policy TC2 of the East Devon Local Plan.

Therefore it is considered that the principle of residential accommodation is unacceptable and would be contrary to Strategy 5B & 7 and Policy TC2 of the East Devon Local Plan.

Impact to Character and Appearance of the Area

The proposed dwelling is located to the west of the site in an area of land which has its own boundary treatment. The land is adjacent to the existing yard which is used for the storage of vehicles. The main view of the dwelling would be from Long Lane which is approx. 50 metres to the south of the site. From this point of view the dwelling would not be readily visible and would be read alongside the other development nearby. There are no other wider views and subsequently it is considered that the landscape character of the Blackdown Hills AONB would be conserved.

The proposal is therefore considered to comply with Strategy 46 and Policy D1 of the East Devon Local Plan and Policy NE1 of the Dunkeswell Neighbourhood Plan.

Residential Amenity

In regards to residential amenity, the dwelling is located away from any existing dwellings and does not overlook any properties. Therefore the dwelling would not result in a loss of residential amenity in accordance with Policy D1 of the East Devon Local Plan.

Access and Highways

It is shown on the plans that there are two accesses to the site. The first is the existing arrangement which provides access off Long Lane to the south eastern corner of the site. The second access is to the south west of the site. However, historic google streetview images show that this access has been in use for some time and there is no existing hardstanding which would enable this access to be utilised as existing.

In any case the access is considered to provide sufficient visibility splay and space to turn vehicles within the site so that they can re-enter the highway in a forward gear. As a result it is considered that there would not be any highway safety concerns as a result of the proposal in accordance with Policy TC7 of the East Devon Local Plan and Policy TA4 of the Dunkeswell Neighbourhood Plan.

In regards to parking, the site would have two parking spaces, which for a three bedroomed dwelling is considered to comply with Policy TC9 of the East Devon Local Plan and Policy TA3 of the Dunkeswell Neighbourhood Plan.

Conclusion

The dwelling would be located outside of any built up area boundary as defined within the East Devon Local Plan or the Villages DPD. There is no justification for the dwelling that complies with policy within the East Devon Local Plan or the Dunkeswell Neighbourhood Plan and it is considered to be an isolated form of accommodation within the AONB which is not within easy reach of the services and facilities needed for everyday living by other forms of transport other than a private motor vehicle. Therefore the site is in an unsustainable location and is therefore recommended for refusal.

RECOMMENDATION

REFUSE for the following reasons:

1. The application site lies in open countryside outside of any designated Built up Area Boundary or Strategic allocation within the Adopted East Devon Local Plan or Villages Plan and where there are no other Local or Neighbourhood Plan policies that would support the development. Residential development in this location would be unsustainable due to the distance and pedestrian route to access essential services and facilities required for daily living and where, as a

result, future occupiers are likely to rely on the use of private transport for the majority of journeys. As such, and as no essential need has been demonstrated for a residential unit to be located at the site in connection with a rural business, or other justification demonstrated, the proposal would be contrary to the provisions of Strategy 7 (Development in the Countryside) and Policies TC2 (Accessibility of New Development) of the East Devon Local Plan 2013- 2031 and the guidance within the National Planning Policy Framework and accompanying Planning Practice Guidance.
