## **Report in full**

### **1. Background**

For the financial year 2022/2023, East Devon District Council has an Action on Poverty Fund. This is for the second round of applications to the fund completed by the 15 February 2023.

### **2. Applications**

2.1 Contained within this report are two applications to that fund. I have done an initial eligibility check and have made sure that each of those applications is complete.

2.2 The applications within this report for this panel to decide on are:

- A. Ottery Community Volunteers are applying for £1,400 for items such as a heater and clothes rails to make a shop on their hall. They have all the remaining funding in place.
- B. Project Food are applying for £4,968 to run family cooking courses in Ottery St Mary. They have all the remaining match funding in place.

If all these applications were successful we would be giving out a total of £6,368.00

2.3 There is enough money available in the fund to fund all these applications if Councillors wish to do so, with a significant amount still available for applications received by the second closing date. We currently have £43,933.39 in the fund.

2.4 Unfortunately this fund has not been published and promoted as it was in the first round due to the absence of the Funding and Engagement officer. Due to this ongoing absence the Management Information officer has picked up this work and has made best endeavours to get the applications received to this panel.
