

# PROPOSAL FORM FOR ITEMS FOR CONSIDERATION BY THE SCRUTINY COMMITTEE

## Submitted by :

Mike Goodman

## Please describe the matter you would like considered:

The cost of parking in East Devon and in particular the coastal areas increased by 100% in 2022. This made our car parks the most expensive car parks operated by the Council in the South West.

I would like this to be reviewed and overview to consider a policy going forward.

I would like the review to be evidence based including the views of businesses.

## Please identify why this item should be considered:

- a) It is a district level function over which the district has some control
- b) It is part of the Council Plan, or a policy or service area of activity which would be timely to review
- c) It is a gap in service provision within District Council's remit
- d) It is a major proposal for policy or procedural change
- e) It is an issue raised from complaints received
- f) It is an area of public concern
- g) The issue relates to an area where Council, or one of its partners, is not performing well
- h) It would be of benefit to residents of the district
- i) Other (please specify):

A review of the effect on business is an important element.

**Having regard to the role of the Scrutiny Committees (see end of form) - please describe as precisely as possible what you would like to see achieved:**

I would like to understand what the effects of the high car parking costs are on EDDC, tourists and businesses. If the evidence reflects the high tariff is not achieving its original aims without affecting businesses and others. Council consider a change to the tariff and a future strategy.

**Any other comments that you consider relevant:**

**PLEASE RETURN THIS FORM TO DEMOCRATIC SERVICES**

---

**Monitoring Officer comments:**

In the absence of the Monitoring Officer, the Deputy Monitoring Officer would comment that the subject is capable of scrutiny by the Scrutiny Committee. The DMO will seek to understand what proposals Cabinet have to consider on this issue already as she believes that it was Cabinet's intention to review the impact of the parking changes in the autumn and it would be preferable not to create duplication. An update will be given at the meeting.

## Scrutiny Committees' Role

The Council's Constitution details the role of the Scrutiny Committee in [Article 7](#) and in the Terms of Reference in [Part 3 Section 2](#). It has statutory powers through the Local Government Act 2000.

The following sets out the role of the Scrutiny Committee in general terms:

*The Overview and Scrutiny Committees operate within the guiding principles of effective scrutiny promoted by the Centre for Public Scrutiny, namely:*

- a) Provide a 'critical friend' challenge to the Cabinet as well as external authorities and agencies;*
- b) Its aim is to hold Council to account on behalf of the public and its communities;*
- c) Take the lead and own the scrutiny process on behalf of the public;*
- d) Make an impact on the delivery of public services*

*The **Scrutiny Committee** will principally take the lead and own **the post decision scrutiny process** (in its widest sense) on behalf of the public with a view to making an impact on the delivery of public*

More specifically the role and powers of the Scrutiny Committee are to;

- *Review and scrutinise the decisions made by and performance of the Cabinet and Council officers both in relation to individual decisions and over time.*
- *Review and scrutinise the performance of the Council in relation to its policy objectives, performance targets and/or particular service areas.*
- *Question Members of the Cabinet and Senior Officers about their decisions and performance, whether generally in comparison with service plans and targets over a period of time, or in relation to particular decisions, initiatives or projects.*
- *Make recommendations to the Cabinet and/or Council arising from the outcome of the scrutiny process.*
- *Review and scrutinise the performance of other public bodies in the area and invite reports from them by requesting them to address the Scrutiny Committee and local people about their activities and performance.*
- *Question and gather evidence from any person (with their consent).*
- *Exercise the right to call-in, for reconsideration, decisions made but not yet implemented by the Cabinet and/or a Portfolio Holder Member of the Cabinet.*

Please note the following:

- Scrutiny aims to improve the efficiency and effectiveness of Council Services
- The Scrutiny Committee can gather evidence on issues affecting local people and make recommendations based on its findings.
- It is important to demonstrate that scrutiny work adds value for local people.
- Those scrutinizing should be independent-minded but not apolitical although political point scoring should be avoided.
- Individual planning and licensing decision cannot be considered and nor can matters concerning an individual or entity where there is a right of review or appeal conferred by law being considered by the committee unless it relates to a function for which the authority is responsible not being discharged at all or that its discharge has failed or is failing on a systemic basis.
- Scrutiny will not consider matters which are vexatious, discriminatory or are not reasonable to be included in the agenda.
- You can identify and prioritise potential scrutiny topics, considering the resources they would require and the level of impact they could achieve by:
  - consulting with all members of scrutiny committees, senior officers, cabinet members
  - looking at corporate priorities, business plans and the Forward Plan
  - consider events and decisions in the council's calendar that could require an input from scrutiny
  - evaluate previous council performance and identifying any follow-up work required to previous scrutiny work
  - carry out work to engage with local people, for example through surgeries, local media, opinion surveys and online forums
  - work towards a common target in their questioning of witnesses
