Categories: Emily, Phillippa

Good afternoon Emily

Further to our conversation.

Like many manufacturers Nissan has reduced the choice of vehicles available. Mainly due to difficulty in components. As a result no more factory built Combi/ 9 seater minibuses.

The old minibus combi was effectively built as a normal NV300/Primastar van at factory and then converted to combi ie the same N1 Van with seats added. First registered as an M1 vehicle – seats and windows making it a car although it is really a van with seats still.

For some manufacturers this conversion was completed after leaving the main van factory and completed off site.

The structure of the vehicle, suspension, chassis engine etc still basically the same as an N1 van.

I've attached the old NV300 brochure & the new Primastar (same vehicle different name) Only changes were engine 1.6 to 2 litre and internal specification – dashboard head unit etc basic van was the same. Main point here is the van is the same underling vehicle as the combi. Not a completely different vehicle

There is still a niche market for 9 seater hence our local conversion. Same approved van adding M1 approved seats, windows panelling etc to a standard van.

DVLA have amended v5 to show 9 seats but as the vehicle is already registered the category at original registration can not be changed. I believe in Marcin's case he has notified Insurance who are happy to insure as a 9 seater commercial people carrier in the same way a factory combi would be insured.

The converter has issued a certificate of conformity complying with "Seat type – Set of six original seats Has satisfied the strength and anchorage positional requirements of EC Directive 76/115/EEC as Amended by 2005/41/EC & ECE Regulation 14.07 for M1 Loading When mounted On Rigid Steel Base i.e. Vehicle with correct under and above strengthening plates." I hope this clarifies a bit for you and hopefully with the certificate of conformity already issued there is no further need for IVA testing.

Any questions please don't hesitate to contact.

Kind regards

Jon

Jon Davies Light Commercial & Local Fleet Manager

### PICK YOUR PLAYER

**YOU CAN ASK A LOT OF THE NEW NISSAN NV300**, and trust it to respond. It has everything you need for your business: low on running costs, big on comfort. Plus exceptional load-carrying flexibility for its practical, mid-size van dimensions. As you'd expect from Nissan, NV300 is also built to be thoroughly dependable. A promise that's supported by our five year warranty.

"I'm driving most of

## GET THE JOB DONE

UP TO UP TO **1,280KG** PAYLOAD CARGO VOLUME With an impressive load space you can easily load three Europallets or ten 2.5M plasterboards. With its bulkhead flap, NV300 enables you to carry long items up to 3.75M in the L1 and up to 4.15M in the L2.

**KEEP IN TOUCH** 

Bluetooth

#### **DESIGNED FOR YOU**

**THERE'S AN IDEAL NV300 FOR YOU.** Choose from two lengths and heights for the Panel Van, two lengths for the Combi or Crew Van, plus a long Platform Cab, ready for your specific conversion.

### KEY PERFORMANCE INDICATOR

UP TO **4.0M**<sup>3</sup>

COMB

UP TO **9 SEATS** WITH PLENTY OF ROOM

#### ROOM FOR LOADS, COMFORT FOR PEOPLE

UP TO **8.6M**<sup>3</sup> CARGO CAPACITY

**NV300 PANEL VAN** can take up to 8.6M<sup>s</sup> of cargo and up to 1,280kg payload while the Crew Van carries a team of six plus the tools you need for the job. Combi will seat up to nine people in spacious comfort.

#### LIGHT ON FUEL, STRONG ON POWER

The 1.6 dCi NV300 engine is available with 4 different outputs: two Single Turbo producing 95PS or 120PS, and two Twin Turbo offering 125PS or 145PS. Twin Turbo engines develop more torque from low revs and more power at high speeds for even better driveability.

## NissanConnect by LG\*

Keep in touch with NissanConnect, your navigation, communication and audio-entertainment system. Display maps, music, info and phone files on your 7" colour touch screen, get voice guidance across Europe, enjoy hands-free connectivity and listen to all your sounds on any format: CD, iPod, MP3, USB or Bluetooth" audio streaming.

\*Standard on Tekna models

### LOW RUNNING COSTS

All NV300 engines are EURO6 compliant. Their low fuel consumption coupled to 2 years / 25,000 miles service intervals contributes to NV300's low running costs.

Print | Close

**EXACTLY YOURS.** A comprehensive range plus many options make it easy to choose the perfect NV300 for your business. There are two lengths and heights for Panel Van, two lengths for Crew Van and Combi, and a long wheelbase Platform Cab for conversions. **ENJOY DECIDING!**

### **COMFORTABLE AND PRACTICAL**

NV300's cab is much more than a comfortable workplace. It's also a highly organised mobile office. There's up to 89 litres of storage space available for everything from paper clips and cups to large bottles and your laptop. The base of the passenger seat flips forward to reveal large storage bins (standard on Acenta & Tekna Panel Van models). The centre seatback folds flat and provides a removable A4 clipboard holder (standard on Acenta & Tekna Panel Van models). These are just some of the practical features that show we've thought about the way you work.

#### VAN INTERIOR FEATURES INCLUDE:

- 1. Storage for larger items beneath the passenger seats. (Acenta & Tekna Panel models only)
- Clipboard holder inside centre seatback. Plus flat space for documents or laptop. (Acenta & Tekna Panel Van models only)
- Convenient cup holder to safely hold your beverage.
   Adjustable cradle for your smartphone. (Acenta & Tekna only)

### NV300 PANEL VAN LOVES LARGE LOADS

NV300 Panel Van is a capable, roomy and reliable workhorse. Offering a large load space in a highly manoeuvrable medium size footprint, it's practical for city streets and relaxed on motorways.

#### ACCESS AND LOAD SPACE FEATURES INCLUDE:

NV300

Side and rear doors take a Euro pallet with ease
Rear doors with 180° opening (270° rear doors available as an option)

Illuminated load area

 12-volt electrical accessory socket in load area (Standard on Acenta & Tekna Panel Van & Crew van models) Floor-mounted, load-securing eyes
Bulkhead flap (standard on Acenta & Tekna panel van models only) extends load space length up to 3.75m (L1 versions) & up to 4.15M (L2 versions)

A 1.0M wide sliding door is available for one or both sides. This clever device lets you shut just one of the rear doors, enabling you to carry longer loads safely (Standard on Acenta & Tekna Panel van & Crew van H1 models only).

#### Print | Close

### NV300 CREW VAN **READY FOR ANYTHING**

NV300 Crew Van is the flexible working solution. Your workmates have easy access through twin sliding doors, with room to travel to the job and back in comfort. With two van lengths available, there's space for your crew and up to up to 4.0M<sup>3</sup> load capacity

#### CREW AND LOAD SPACE FEATURES:

- From 3.2 to 4.0M<sup>3</sup> max load space volume
- Payload up to 1,040kg

- Payload up to 1,040kg
  Twin sliding side-access doors with fixed (Acenta) or opening (Tekna) windows
  High-strength plastic bulkhead
  3-seater rear bench or individual seats with head restraints adjustable in height and tilting
  3-Point inertia-reel safety belt on all seats

Up to 4.0M<sup>3</sup> load space for tools and equipment.

Individually contoured rear bench seat for up to three passengers.

Large windows make interior light and airy.

NV300 10 M 120

Print | Close

### NV300 COMBI **CREATE THE BEST** IMPRESSION

Smart, spacious and offering a comfortable ride, the Combi will impress your passengers on the way to the airport, the game, in the city or on the motorway.

#### COMBI STANDARD FEATURES INCLUDE:

- Up to nine seat layout with choice of two wheelbases
- Twin sliding side-access doors with fixed (Acenta) or opening (Tekna) windows
- Second and third row contoured bench seats, each taking three passengers
- 60/40 split/fold seat back for second-row bench seat

• Fold and tumble facility for third row bench seat Removable second and third row bench seats Inertia-reel lap and diagonal seatbelts for all seats Rubber floor covering Half-height sidewall trim

Large sliding side doors and second row split/fold seat backs ensure easy access.

load space combinations.

Folding or removable third row Remove the second and and removable second row third row seats and Combi seats offer flexible passenger/ gives you the load space of a Panel Van.

#### Print | Close

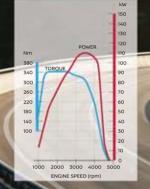

### **HIGH EFFICIENCY**

NV300's 1.6 litre dCi diesel engines combine the advantages of small capacity for impressive fuel economy, and turbo boost across the rev range. Four EURO6 compliant engines are available: Single Turbo with 95PS or 120PS and Twin Turbo with 125PS or 145PS.

1.6 dCi 145PS Twin Turbo

1.6 dCi 95PS Single Turbo

TWIN TURBO FEATURES The first turbo produces high torque at low speeds, for more power when pulling away and restarting. The second turbo increases output at higher speeds, for constant, confident acceleration.

#### STOP/START

Standard on twin turbo engines and optional on the 95PS unit, the engine stops while waiting in traffic and restarts instantly when you press the clutch. You'll soon notice the fuel savings.

### ECO MODE

Switch on to optimise fuel consumption, by max torque limitation, smoother accelerator response and anticipated gearshift indicator.

#### SMART ENERGY MANAGEMENT

This is a way of recovering energy from deceleration and braking to reduce overall fuel consumption.

#### EURO6 COMPLIANT

Selective Catalytic Reduction technology uses AdBlue to convert Nitrogen Oxide emissions to water, nitrogen and tiny amounts of carbon dioxide - natural elements we breathe safely every day.

#### Print | Close

# THOUGHTFUL AND RESPONSIBLE

Your safety is important to us. So NV300 is equipped with active safety systems including Electronic Stability Program (ESP), ABS with Electronic Brakeforce Distribution (EBD) and the Extended Grip that optimise traction in difficult conditions (mud, snow). Plus several thoughtful touches to make driving easier and keep you calmly in control.

I-KEY (OPTIONAL) When you have your hands full, (OPTIONAL) i-Key allows hands-free front and rear door unlocking/ locking and engine start.

REAR VIEW CAMERA Combined with rear parking sensors, it makes manoeuvring easier and safer.

BLIND SPOT MIRROR ECO MODE Activating Eco Mode (standard on Acenta & Tekna Panel Van & Crew van models) helps you achieve the most fuel-efficient driving characteristics.

CRUISE CONTROL Relax on long journeys. Combined with speed limiter to help you keep within the legal limits. (Standard on Tekna)

**AUTO LIGHTS & WIPERS** Activate automatically so you Optional TSM (Trailer Sway can stay focused on the road. (Standard on Tekna)

TOWING Mitigation) works with ESP to help keep you in control

when towing.

HILL START ASSIST Makes hill-starts safer and smoother by maintaining brake pressure for up to 2 seconds.

# NISSAN NV300 COMBI

The passenger version of Nissan NV300 is called the combi, and provides space for up to nine people (three rows of three seats). It still has room for their luggage, with carrying capacity of 550 and 890 litres for the L1 and L2 versions respectively. The modularity of the two rear bench seats ensures a choice of several layouts to further increase the boot capacity. Access to the third row is via the second row's outer seats, the backs of which can be lowered. Boot volume can be further adapted thanks to a luggage cover, which can be positioned at one of two heights. Cleverly, it can also be positioned vertically in order to compartmentalise the load carrying space. NV300 combi is equipped as standard with twin glazed sliding side doors.

### ACENTA

#### **NISSAN LCV 5 YEAR MANUFACTURER WARRANTY**

NISSAN now offers a standard 5 Year Pan-European Manufacturer Warranty on its whole LCV range\*. This is much more than just a warranty as it includes:

- 5 Year or 100,000 miles bumper-to-bumper protection
- 5 Year Paintwork Warranty covering the body paint
- 5 Year NISSAN Genuine Parts & Accessories Warranty
- 5 Year Roadside Assistance
- 12 Year Corrosion Warranty on NV300
  Fully transferable

And with service intervals at 2 years or 25,000 miles on the NV300, you'll not only have 5 years of peace of mind but also low running costs into the bargain.

#### **CUSTOMER SERVICES**

#### SPECIALISED LCV NETWORK

NISSAN provides a specialised network of LCV dealerships to support your specific commercial vehicle requirements:

- Pan-European coverage
   Dedicated LCV Sales & After Sales staff
- Competitive financing solutions
- Tailor made conversion offers
- Competitive extended warranty offers to go even beyond NISSAN LCV 5 Year Warranty.
- Test drive your choice

#### AFTERSALES SERVICES

If your car breaks down, it's inconvenient. If your van breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the best to ensure that your van stays where it belongs – working for you, on the road.

#### AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design vehicles, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

\*5-Year / 100,000 miles (whichever comes first) Manufacturer Warranty for the LCV range with the exception of e-NV200.The Basic Vehicle Warranty for e-NV200, according to 3.1 of the Warranty Booklet and Maintenance Record, is extended to 5 years (from the warranty start date) / 60,000 miles (whichever comes first). Only vehicles registered on or after 1st November2016 are eligible for the Extended Warranty. Body parts and paint excluded during year four and year five. Terms and exclusions apply, for further information please see Extended Warranty Terms and Conditions. Apart from the afore-mentioned, all warranty conditions included in the Warranty Booklet and Maintenance Record remain unchanged. Issuer of this Extended Warranty is Nissan International Insurance Ltd.

# لع

#### NISSAN SERVICE CONTRACTS AND EXTENDED WARRANTY

For total peace of mind and budget control, you can subscribe to a Nissan Service Contract which will cover your periodic maintenance and Wear & Tear parts for the mileage and period that suits your business best. This way, you can ensure that your new NV300 is serviced by dedicated Nissan technicians. And for even more serenity, you can get and Extended Warranty to cover possible mechanical and electrical breakdown after the end of your new NV300 warranty.

#### **5 YEAR ROADSIDE ASSISTANCE**

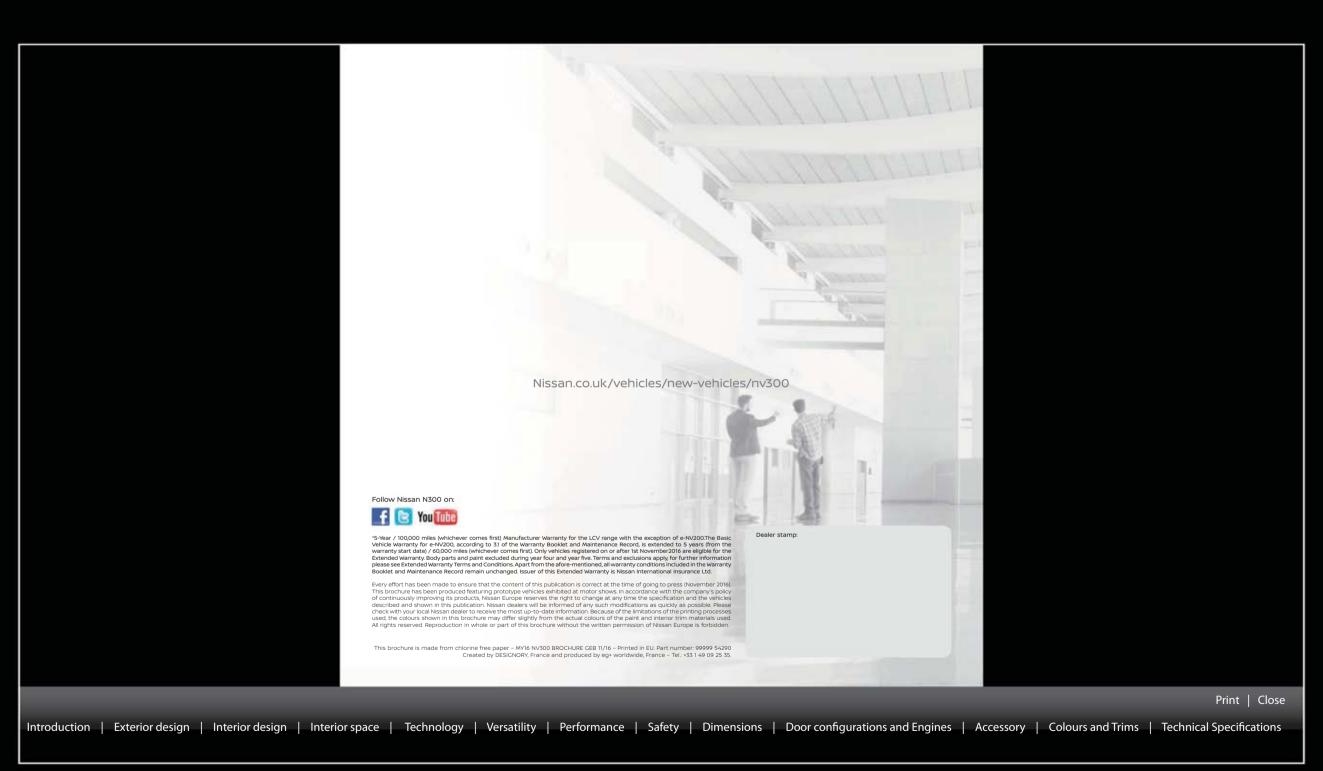

Pan-European coverage for breakdowns, accidents, non-warrantable incidents (such as flat tyres, lost keys, wrong fuel...)
24/7, 365 days
Emergency Call Centre
Prompt roadside assistance
If this is not possible and your vehicle is still immobilised after a few hours, we will make

sure you are provided with a courtesy vehicle as soon as possible or if necessary, overnight accommodation and travel to your onward destination or back to your base. We will also recover your immobilised vehicle.

## NISSAN

## PRIMASTAR

PRIMASTAR

## Ready for your next move

Robust, reliable and practical. The new Nissan Primastar is ready for whatever tomorrow brings. With the versatility to handle cargo of all shapes and sizes, the new Nissan Primastar keeps you on top of things wherever the road takes you.

## Key performance indicator

#### LIGHT ON FUEL, STRONG ON POWER

Discover a powerful engine line up with power from 110 to 170 hp and torque of up to 380 Nm. Featuring variable-geometry turbocharger, stop/start and ECO mode, new Nissan Primastar's engine range balances performance with low running costs.

#### LOW RUNNING COSTS

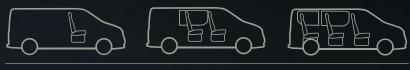

New Nissan Primastar engines are EURO6 compliant. Their performance coupled to 2 years / 18,000 miles service intervals make for very favourable running costs.

53: M

#### GET THE JOB DONE

New Nissan Primastar is a highly capable load carrier. Even the standard version can take three Europallets or up to ten 2.5m long plasterboards. Lift the bulkhead flap\* and you can carry extra long items such as pipes or carpet rolls - up to 3.75m in the L1 model and up to 4.15m in the L2 model.

#### v

Crew Van

Combi

#### DESIGNED FOR YOU

There's an ideal new Nissan Primastar for you. Choose from two lengths and two heights for the Panel Van, or two lengths for the Combi or Crew Van.

Keep in touch with NissanConnect\*\*, your navigation, communication and audio entertainment system. Display maps, music, info and phone files on your 8" colour touch screen, plus enjoy USB or Bluetooth® audio streaming.

\*\*Features available depending on version and grade, as standard or only as option (at an extra charge)

### Stylish and versatile

With its sleek LED headlamps, distinctive Interlock-grille design and bold side vents, new Nissan Primastar stands out in a crowd. For maximum versatility, you'll discover two lengths and two heights available for the Panel Van model, as well as a choice of two lengths for Crew Van models.

LED headlamps

Distinctive Interlock-grille design

Side vents with LED fog lamps

Features available depending on version and grade, as standard or only as option (at an extra charge)

### More efficient, more powerful

New Nissan Primastar's efficient engine line-up offers power just when you need it, even on steeper climbs. With variable-geometry turbocharger, all variants offer a strong performance, with 110 to 170hp and up to 380Nm of torque. There is also a choice of transmissions available: a standard 6-speed manual or optional DCT automatic transmission.

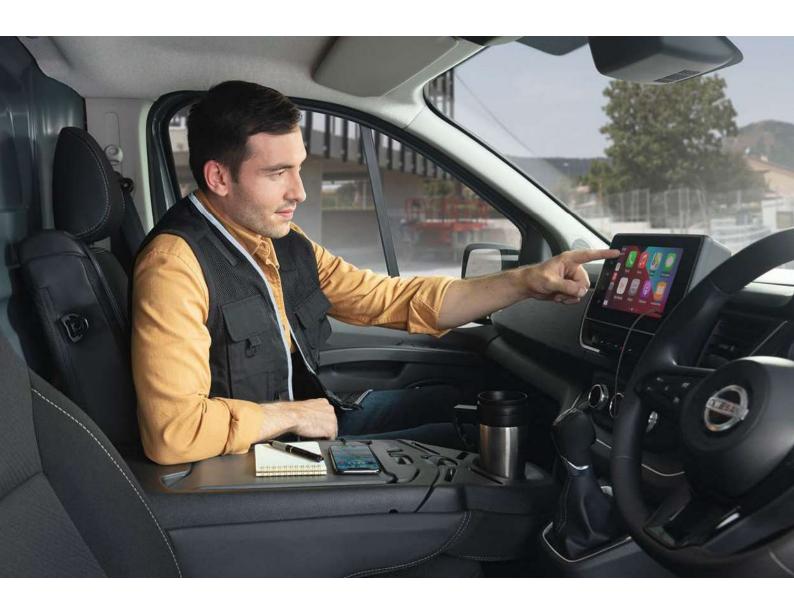

For efficiency and lower running costs, all engines are Euro6Dcompliant with Stop/Start and smart energy management technology, like ECO mode. For extra peace-of-mind, there's also Nissan's exceptional 5 year, 100,000 miles warranty.

Eco mode\*

Cruise control\*

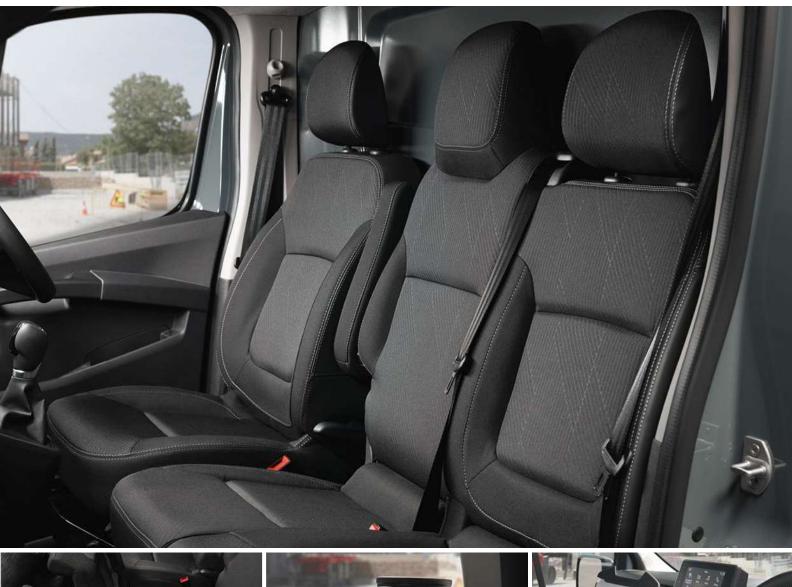

\*Features available depending on version and grade, as standard or only as option (at an extra charge)

### Space to work or relax

With smart connectivity\*, up to 90 litres of storage space and foldable passenger seats\* that create a useful work table, new Nissan Primastar becomes your office on the road. Its car-like interior with satin chrome switches and high quality seat upholstery create a relaxed and comfortable space for a refined drive.

\*Features available depending on version and grade, as standard or only as option (at an extra charge)

54 litres of storage beneath the passenger seats\*

Convenient cup holder to safely hold your beverage\*

\*Features available depending on version and grade, as standard or only as option (at an extra charge)

### Always looking out for you

Make parking feel like child's play with front, rear and side parking sensors<sup>\*</sup> (ultrasonic) and rear parking camera<sup>\*</sup>. And thanks to a whole suite of other intelligent assistance systems available, new Nissan Primastar has your back in any driving situation.

BLIND SPOT WARNING\*

When the system detects a vehicle driving in an adjacent lane approaching the rear of the driver's vehicle - a common blind spot area, an LED light appears in the mirror on the side where the other vehicle is approaching. If the driver activates the turn indicator, the LED warning will flash continuously to alert the driver to the danger.

#### LANE DEPARTURE WARNING\*

Lane Departure Warning provides an alert to the driver if they are beginning to leave the travelling lane. The system visually monitors the left and right side lane markers of the traveling lane. If there is a risk of the vehicle leaving the travelling lane unintended, the system flashes an indicator and sounds a warning chime.

REAR VIEW CAMERA\* Makes manoeuvring easier by giving you a clear view from the rear.

FRONT AND REAR PARKING SENSORS\* All-round ultrasonic sensors provide 360° protection against low-speed impacts while parking and manoeuvring.

TRAFFIC SIGN RECOGNITION\* Keeps you up to date with the latest speed limit by detecting road signs as you go.

INTELLIGENT EMERGENCY BRAKING\* Continuously monitors the area in front of the vehicle to

identify braking vehicles or parked vehicles and alert the driver to their presence. If the driver does not respond, the system will apply emergency braking.

\*Features available depending on version and grade, as standard or only as option (at an extra charge)

You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or www.nissan.co.uk

The feature responsiveness and use can be impacted when car is receiving a bad signal. For optimal use, please make sure your car is under good network coverage.

Connecting a mobile phone to use NissanConnect should only be done when the car is parked safely. Use of the system should always be in accordance with the rules of The Highway Code. Drivers should only use the system when it is safe to do so. Users should be aware of the potential for hands-free technology to distract attention from the road, which could impact on having full control of the vehicle.

Features shown for illustration purposes only and may not be available, depending on version, or only available as an option (at an extra charge).

### Stay in the loop

You might be on the road, but your never on your own. New Nissan Primastar's responsive 8" touchscreen is your portal to NissanConnect: apps, entertainment, intuitive navigation, advanced technology and more.

NISSANCONNECT DISPLAY\* The large touch screen NissanConnect display puts entertainment, settings, navigation and more at your fingertips. Enhanced voice recognition and easy smartphone integration make it easier than ever to access all the information you need.

**DRIVING AIDS\*** Tools to help you drive more easily, including parking assistance, tyre pressure monitoring and tips to help you adopt a more eco-friendly driving style.

#### NAVIGATION\*

Turn-by-turn navigation gets you where you need to go. Insights including fuel consumption and average speed can help you drive even better.

**CONNECTIVITY\*** Connect your Android or iOS device for seamless connectivity including voice control. With Apple Car Play and Android Auto access your favourite music, messaging and other apps to stay informed and entertained on the go.

\*Features available depending on version and grade, as standard or only as option (at an extra charge)

You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or www.nissan.co.uk

### New Nissan Primastar can handle it

The new NIssan Primastar is ready to take on any task. With a best-in-market length capacity of 4.15 meters and rear doors that open up to 180° (255° as option), it can tackle even the biggest jobs. Add clever storage tools and, depending on configuration, a maximum load volume between 3.2 to 8.6 m<sup>3</sup> and you have one highly versatile and accomodating load space.

Optional bright LED lighting makes it easier to work in the load space.

A 1.0m wide sliding door is available for one or both sides.

This clever device lets you lock a rear door open

### A smart space

With sliding doors available on both sides, wide-opening rear doors and up to 16 anchor rings in the back, new Nissan Primastar makes loading effortless and securing your cargo simple, whatever shape or size it is.

 $^{\ast}\mbox{Features}$  available depending on version and grade, as standard or only as option (at an extra charge)

Bulkhead flap lifts to allow extra long objects – up to 3.75M in the L1 Primastar or 4.15M in the L2 Primastar.\*

Sliding side door is over a metre wide,<br/>so will easily take a Europallet.Side-hinged rear doors open<br/>90 /180 /255 for unimpeded

90 /180 /255 for unimpeded, 1.3M wide access

Up to 16 built-in side and floor mounted tie-downs to keep your load secure.

### Your personal new Nissan Primastar

### NISSAN LCV 5 YEAR MANUFACTURER WARRANTY

NISSAN now offers a standard 5 Year Pan-European Manufacturer Warranty on its whole LCV range\*. This is much more than just a warranty as it includes:

- 5 Year or 100,000 miles bumper-to-bumper protection
- 5 Year NISSAN Genuine Parts & Accessories Warranty
- 5 Year Roadside Assistance
- Fully transferable

And with service intervals at 2 years or 18,000 miles for Diesel engines, you'll not only have 5 years of peace of mind but also low running costs into the bargain.

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design vehicles, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

\*5 Year / 100,000 miles (whatever comes first) Manufacturer Warranty for the LCV range. Unlimited mileage for Nissan Genuine Parts & Accessories, Warranties and Roadside Assistance. For more details, please refer to Nissan Warranty Booklet.

### CUSTOMER SERVICES

#### SPECIALISED LCV NETWORK

NISSAN provides a specialised network of LCV dealerships to support your specific commercial vehicle requirements:

- Pan-European coverage
- Dedicated LCV Sales & After Sales staff
- Competitive financing solutions
- Tailor made conversion offers
- Competitive extended warranty offers to go even beyond NISSAN LCV 5 Year Warranty.
- Test drive your choice

#### AFTERSALES SERVICES

If your car breaks down, it's inconvenient. If your van breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the best to ensure that your van stays where it belongs – working for you, on the road.

#### NISSAN SERVICE CONTRACTS AND EXTENDED WARRANTY

For total peace of mind and budget control, you can subscribe to a Nissan Service Contract which will cover your periodic maintenance and Wear & Tear parts for the mileage and period that suits your business best. This way, you can ensure that your Primastar is serviced by dedicated Nissan technicians. And for even more serenity, you can get and Extended Warranty to cover possible mechanical and electrical breakdown after the end of your Primastar warranty.

#### 5 YEAR ROADSIDE ASSISTANCE

• Pan-European coverage for breakdowns, accidents, non-warrantable incidents (such as flat tyres, lost keys, wrong fuel...)

- 24/7, 365 days
- Emergency Call Centre
- Prompt roadside assistance

If this is not possible and your vehicle is still immobilised after a few hours, we will make sure you are provided with a courtesy vehicle as soon as possible or if necessary, overnight accommodation and travel to your onward destination or back to your base. We will also recover your immobilised vehicle.

Nissan Intelligent Mobility moves you one step ahead. In vehicles that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving us to a world that's safer, more sustainable, and exciting.
