**EAST DEVON DISTRICT COUNCIL
LIST OF PLANNING APPEALS DECIDED**

Ref: 24/0066/COU **Appeal Ref:** 24/00063/REF
Appellant: Angela Williams
Appeal Site: Oak View East Hill Ottery St Mary EX11 1QH
Proposal: Proposed change of use of agricultural land to garden
(extension of residential curtilage)
Decision: **Appeal Allowed** **Date:** 14.02.2025
(with conditions)
Procedure: Written representations
Remarks: Delegated refusal, countryside and landscape reasons
overruled (EDLP Policy D1, Strategies 7 & 46).

The Inspector considered that the appraisal of the proposal focused on whether it would cause unacceptable intrinsic or visual harm to the rural landscape.

The Inspector concluded that any views of the site from the wider landscape were limited and the proposal would not harm the character and appearance of the countryside and its landscape.

Appellant:	P Quincey		
Appeal Site:	Winslade Park Clyst St Mary		
Proposal:	Installation of solar array with associated infrastructure, access and landscaping		
Decision:	Appeal Allowed	Date:	21.02.2025
	(with conditions)		
Procedure:	Written representations		
Remarks:	Officer recommendation to approve, Committee refusal. Landscape, amenity and conservation reasons upheld (EDLP Policies D1, EN9, Strategies 7, 39, 48).		

The Inspector considered that the adverse impacts upon the character and appearance of the area would be very localised and limited to a period of twenty-five years. The development would not therefore have a lasting impact upon the qualities of the local environment.

The Inspector also considered that the area of parkland which comprises the appeal site is now mainly hidden in views from Winslade Park and the site makes little meaningful contribution to the significance of this designated heritage asset. The Inspector also noted that the appeal site makes a small contribution to the significance of the setting of the nearby Church of St Mary.

Having regard to public open space provision, the Inspector considered that even with the appeal scheme, plentiful accessible parkland would remain available so as to help meet the recreational/leisure needs of future residents of Winslade Park and those in the wider surroundings.

The Inspector concluded that the public benefits of the proposed development would outweigh the adverse impact upon the character and appearance of the area and the less than substantial harm to the significance / settings of the nearby designated heritage assets.

Proposal:	Redevelopment of site to provide: a) Care home building (Class C2) with associated parking, landscaping, staff and resident facilities and associated works, b) Extra care apartment building (53 units) with associated communal lounge, wellbeing suite, restaurant and care provision (class C2) c) Retirement living apartment building (33 units) with associated communal lounge d) Erection of 4 houses, and 3 townhouses (Class C3) along with accesses; internal car parking, roads, paths, retaining walls, refuse and landscaping associated with development. Retention/refurbishment of building B, erection of habitat building and sub-stations. (Demolition of buildings other than building B) Former Council Offices Knowle Sidmouth EX10 8HL		
Decision:	Appeal Allowed (with conditions)	Date:	25.02.2025
Procedure:	Hearing		
Remarks:	Officer recommendation to approve, Committee refusal. Amenity reasons overruled (EDLP Policy D1, Strategies 6, 26, NP Policies S6, S7).		

The Inspector considered that the strong variation in topography within the site and surrounding landscape, combined with the extensive mature vegetation create a high level of visual containment. As a consequence, the site is not particularly prominent in surrounding mid and longer distance views.

Having regard to the living conditions of the occupiers of nearby properties, the Inspector considered that due to the separation distances from those properties, the proposed building would not be overly oppressive to the extent that it would significantly harm the level of outlook for occupiers.

The Inspector concluded that the proposal would successfully assimilate with the built context and would not have a harmful effect on the living conditions of neighbouring occupiers. Accordingly, there was no conflict with Policy D1 and Strategies 6 & 26 of the EDLP, or Policies 6 & 7 of the SVNP.
