What East
Devon audiences
say...

“Exceptional!! I generally avoid this type of thing but I came to support a friend and was totally blown away!!

**THE ARTISTS ARE INCREDIBLY TALENTED, WE
WERE SO IMPRESSED**

It was a well put together, thought provoking presentation and I felt privileged to see it in a local village hall

Villages in Action is clearly a very valuable social asset

What talent! Thank you for such a stunning, moving show!

Villages in Action is a crucial part of a small village life in deepest Devon

This was a magnificent and very moving show and was amazing to see it in the wilds of rural Devon!

*Professional sleek performance.
absolutely brilliant fascinating
event, so imaginative*

Absolutely incredible show. 10 out of 10

So pleased to be able to see this and that it was being put on at a local, rural venue within a 20 mins drive (rather than having to commute to a larger city). Please keep bringing theatre and art to rural spaces.
