The Engagement and Funding Officer had applied the Community Council of Devon scoring system for guidance and to help summarise the background details of the applications.

The Panel was asked to consider:

- The importance of the project
- Whether match funding arrangements were in place
- What the works would mean for the hall/community shop and its users
- The current stage of the project
- Whether three quotations had been submitted as part of the application and, if not, the reasons given.

Members of the Panel were advised that the 2018/19 budget included £22,250 for the Community Buildings Fund.

a) Applications recommended for approval	EDDC recommended contribution
Monkton Village Hall– general repairs and new kitchen and toilets.	£5,000
Stockland Victory Hall – Replace a section of the cladding on the outside of the hall that is rotten.	£1,848
Uplyme Village Hall – Kitchen improvements to make the hall more sustainable. Including new appliances and flooring.	£1,875.06
Colyton Library – The building was owned by Colyton Parish Council who wanted PV panels on the roof for the library building to become more sustainable. Members felt that the contribution should be reduced from the requested figure of £1,666 due to the low score given to the project. £1,000 was agreed to match the DCC Locality Budget contribution. Members stated that Colyton Parish Council, as owners of the building, should be encouraged to increase their £500 contribution to the project.	£1,000
