11. How has the community benefitted, or how will the community benefit from your completed project?

Please give as much detail as possible, as this in particular provides the evidence we need to keep the funding going for you.

Ditch and gully clearing is needed on a regular basis and is vital to reduce the risk of surface flooding in the Feniton old village. Feniton has a long and well documented history of flooding and although the village is the subject of a £1.6 million flood alleviation scheme lead by East Devon District Council; this does not include the old village.

12. Was your project:

- Working alone on a drainage and ditches project - please move onto question 14
- Working together with other town and parish councils

13. How has the project involved town and parish councils working together?

Please give as much detail as possible, as this in particular provides the evidence we need to keep the funding going for you.

14. Did you face any obstacles to completing your project?

- Yes
- No - please move onto question 16

15. Please tell us about the obstacles that you faced:

16. What is the future of the project or work? (if relevant)

For example how will it be funded in the future if it's an ongoing project.

The Council will include ditch clearing in their budget.

17. Please give details of any media interviews, press reports, newsletter articles etc about your project:

Please note as you agreed in the grant offer letter, all publicity about the project should credit funding from Parishes Together Fund and support from Devon County Council and East Devon District Council.

None
